- Consolidated Appropriations Act of 2022, enacted as Public Law 117-103
- 54 USC §3001 *et seq.* - National Historic Preservation Act

2. Performance Goals and Project Objectives

The objective of this agreement is to diversify the nominations submitted to the National Register of Historic Places to include communities that are currently underrepresented. URC grants are funded by the Historic Preservation Fund (HPF) and are administered by the NPS. Projects include surveys and inventories of historic properties associated with communities underrepresented in the National Register, as well as the development or amendment of nominations to the National Register. 3. Public Purpose

This grant program enables eligible grantees, as stated in the Notice of Funding Opportunity, across the nation to participate in a nationwide historic preservation program and meet the goals of 54 U.S.C.

The Statement of Work to be performed in accordance with the Secretary of the Interior's *Standards and Guidelines for Archeology and Historic Preservation* and as determined eligible in the National Historic Preservation Act (NHPA), 54 U.S.C 300101 et. seq., and in the Historic Preservation Grant Fund Manual, as applicable to Tribes.

The Statement of Work is further defined in an addendum at the end of this Notice of Award.

5. Responsibilities of the Parties

1. The Recipient agrees to:
 1. Carry out the Statement of Work in accordance with the terms and conditions stated herein.
 2. Adhere to Federal, state, and local laws, regulations, and codes, as applicable.
 3. Perform work in accordance with the *Secretary of the Interior's Standards and Guidelines for Archeology and Historic Preservation* and the National Historic Preservation Act.
 4. Record their procurement of qualified consultants and contracts in accordance with 2 CFR 200.317-327.
 5. Notify NPS of all selected subawards/subgrants. Recipients that issue subawards/subgrants, (entities that function in whole or in part as pass-through entities), are responsible for ensuring subrecipients understand they are subject to the requirements of 2 CFR 200.1 "Subaward", 200.101 Applicability, and 200.331 Requirements for pass-through entities. The Recipient must notify NPS of all selected subawards/subgrants.
2. No substantial involvement on the part of the NPS is anticipated for the successful completion of the statement of work detailed in this award. It is anticipated that involvement will be limited to actions related to monitoring project performance and technical assistance at the request of the recipient.

6. Cost-Share Requirement

Non-Federal cost-share is required for costs incurred under this Agreement if identified in block 11n of the Notice of Award. If pre-award costs are authorized, reimbursement of these costs is limited to Federal cost share percentage identified in this agreement.

7. Pre-Award Incurrence of Costs

The Recipient is not authorized to incur costs prior to the award of this Agreement. Costs incurred prior to the award of this agreement are not allowable.

8. Award and Payment

1. The NPS will provide funding to the Recipient in an amount not to exceed the figure in block 11m of the Notice of Award for the Statement of Work described in Article VI and in accordance with the NPS approved budget. The approved budget detail is incorporated herein. Any award beyond

the current fiscal year is subject to availability of funds. Acceptance of a Federal financial assistance award from the Department of the Interior carries with it the responsibility to be aware of, and comply with the terms and conditions within this award document. Acceptance is defined as the start of work, drawing down funds, or accepting the award via electronic means.

2. Recipient shall request payment in accordance with the following:
 1. **Method of Payment.** Payment will be made by advance and/or reimbursement through the Department of Treasury's Automated Standard Application for Payments (ASAP) system.
 2. **Requesting Advances.** Requests for advances must be submitted via the ASAP system. Requests may be submitted as frequently as required to meet the needs of the Financial Assistance (FA) Recipient to disburse funds for the Federal share of project costs. If feasible, each request should be timed so that payment is received on the same day that the funds are dispersed for direct project costs and/or the proportionate share of any allowable indirect costs. If same-day transfers are not feasible, advance payments must be as close to actual disbursements as administratively feasible.
 3. **Requesting Reimbursement.** Requests for reimbursements must be submitted via the ASAP system. Requests for reimbursement should coincide with normal billing patterns. Each request must be limited to the amount of disbursements made for the Federal share of direct project costs and the proportionate share of allowable indirect costs incurred during that billing period.
 4. **Adjusting Payment Requests for Available Cash.** Funds that are available from repayments to, and interest earned on, a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries, credits, discounts, and interest earned on any of those funds must be disbursed before requesting additional cash payments.
 5. **Bank Accounts.** All payments are made through electronic funds transfer to the bank account identified in the ASAP system by the FA Recipient.
 6. **Supporting Documents and Agency Approval of Payments.** Additional supporting documentation and prior NPS approval of payments may be required when/if a FA Recipient is determined to be "high risk" or has performance issues. If prior Agency payment approval is in effect for an award, the ASAP system will notify the FA Recipient when they submit a request for payment. The Recipient must then notify the NPS AO that a payment request has been submitted. The NPS AO may request additional information from the Recipient to support the payment request prior to approving the release of funds, as deemed necessary. The FA Recipient is required to comply with these requests. Supporting documents may include invoices, copies of contracts, vendor quotes, and other expenditure explanations that justify the reimbursement requests.
3. Any award beyond the current fiscal year is subject to availability of funds; funds may be provided in subsequent fiscal years if project work is satisfactory and funding is available.
4. Expenses charged against awards under the Agreement may not be incurred prior to the beginning of the Start Date of the Agreement, and may be incurred only as necessary to carry out the approved objectives, scope of work and budget with prior approval from the NPS AO. The Recipient shall not incur costs or obligate funds for any purpose pertaining to the operation of the project, program, or activities beyond the expiration date stipulated in the award.

5. Any non-Federal share, whether in cash or in-kind, is expected to be paid out at the same general rate as the Federal share. Exceptions to this requirement may be granted by the AO based on sufficient documentation demonstrating previously determined plans for or later commitment of cash or in-kind contributions. In any case, the Recipient must meet their cost share commitment over the life of the award.

9. Reports and/or Outputs/Outcomes

1. Refer to the second page of the Notice of Award document for Federal Financial reporting frequency and due dates. Performance reports are also required at the same reporting frequency and due dates as the FFR. Reports must be submitted through the GrantSolutions "Manage Reports" functionality.
2. A final Performance Report and a final Federal Financial Report will be due 120 days after the end-date of the Term of Agreement. If the recipient does not submit the final report before the required due date, NPS is required to submit a finding of non-compliance to the Federal Awardee Performance and Integrity Information System (FAPIIS). Each report shall be submitted as described above.
3. The Secretary of the Interior and the Comptroller General of the United States, or their duly authorized representatives, will have access, for the purpose of financial or programmatic review and examination, to any books, documents, papers, and records that are pertinent to the Agreement at all reasonable times during the period of retention in accordance with 2 CFR 200.333.
4. Specific projects, tasks, or activities for which funds are reimbursed and/or advanced will be tracked and reported by the grantee's submission as defined in an addendum at the end of this Notice of Award.

NOTICE OF AWARD (Continuation Sheet)

PAGE 9 of 13	DATE ISSUED 04/24/2023
GRANT NO. P23AP00278-00	

1. a site plan that has the north direction clearly marked;
2. a city/county map with the site of the property clearly labeled;

The grantee must submit documents for the entire undertaking to the NPS for its review and approval to ensure conformance with the Secretary of the Interior's *Standards and Guidelines for Archeology and Historic Preservation*, Historic Preservation Fund Grant Manual, and with the conditions listed in this Grant Agreement, **prior** to the beginning of grant-assisted work. Work that does not comply with these Standards in the judgment of the NPS will not be reimbursed, and may cause the grant to be terminated and funds deobligated.

Plans & specifications for the project must be marked on the cover with this statement:

The {name of property} is designated a National Historic Landmark for its architectural and historic significance. It is considered to have irreplaceable cultural, material, and aesthetic value. See this agreement for submission requirements regarding NHL properties. In addition, Section 110(k) (54 USC 306113) prohibits the NPS from funding any grantee or subgrantee that attempts to avoid the requirements of Section 106. Grantees must make every effort to fund preservation projects that do no harm or adverse effects to NHL properties. Should it be discovered a grantee has deliberately damaged a property (e.g., pre-emptive demolition) to avoid requirements, the NPS must be notified to determine, in consultation with the ACHP, if the project can proceed.

13. Requirement for NEPA Compliance

NOTICE OF AWARD (Continuation Sheet)

PAGE 10 of 13	DATE ISSUED 04/24/2023
GRANT NO. P23AP00278-00	

All HPF funded grants are subject to the requirements of the National Environmental Policy Act (NEPA) of 1969, as amended. This Act requires Federal agencies to consider the reasonably foreseeable environmental consequences of all grant-supported activities. As part of the NPS implementation of NEPA, grantees are required to notify the NPS of any reasonably foreseeable impacts to the environment from grant-supported activities, or to certify that no such impacts will arise upon receipt of a grant award. In addition, the NPS has determined that most HPF grant funds are not expected to individually or cumulatively have a significant impact on the environment, unless the activity involves development (construction) or archeology. For construction or archeology projects, the applicant/grantee should submit an *Environmental Screening Worksheet*, in order to assist the NPS in determining if a Categorical Exclusion (found in [NPS Director's Order 12](#)) can be utilized.

14. Compliance with the Americans with Disabilities Act and the Architectural Barriers Act
