Re: Request to Set Public Hearing Dates To Renew Special Assessment Districts for
Sherwood Forest, Detroit Golf Club and Palmer Woods

Honorable Detroit City Council:

My office has received Special Assessment Renewal Applications including petitions
from the following Special Assessment Districts ("SADs"):

1. Sherwood Forest
2. Detroit Golf Club
3. Palmer Woods

All three SADs will expire December 2023. Pursuant to City Code Section 44-4-221:

"Where a designated neighborhood improvement organization wishes to continue an existing special assessment district beyond its term, it must take action to continue the special assessment district for an additional term in the same manner that a special assessment district is created pursuant to this division... An additional term of a special assessment district shall commence as of the expiration date of the existing term of the special assessment district."

Therefore, as we have received the renewal applications and petitions from a majority of the property owners in each of the SADs, I respectfully request this honorable body to set a time for three public hearings, or one hearing for all three at the chair's discretion, to discuss the matter of renewing each SAD for Sherwood Forest, Detroit Golf Club, and Palmer Woods.

Sincerely,

Alvin Horhn
