The Honorable Detroit City Council

Re: Request to hold a hearing before The Budget, Finance, and Audit Standing Committee to renew the existing Special Assessment District for Detroit Golf Club.

Honorable Detroit City Council

The provisions of the Home Rule Act, Act 279 of 1909, as amended, being (MCL) 117.51, allows a city with a population of more than 600,000 to, by ordinance, provide a procedure to finance by special assessment the provisions by private contractors of snow removal from streets, mosquito abatement, and security services.

Detroit City Code Sec 44-3-212 states (in part) the following:

Notice of the public hearing shall be given in accordance with the Michigan Notice of Special Assessment Hearing Act, being MCL 211.74 *et seq*, and shall also be published in a newspaper of general circulation at least five days prior to the date fixed for the hearing.

Detroit City Code Sec 44 -3 -221 states (in part) the following:

When a designated neighborhood improvement organization (DNIO) wishes to continue an existing special assessment district beyond its term, it must take action to continue the special assessment district for an additional term in the same manner that a special assessment district is created pursuant to this division. To avoid a lapse in services, a designated neighborhood improvement organization may begin petitioning to initiate an additional term of a special assessment district prior to the expiration of the existing term subject to the requirements Section 44 -3 193(c) of this Code regarding the validity of signatures.

At the hearing, the Budget, Finance, and Audit Standing Committee shall receive public comment regarding the renewal of the special assessment district. Notice of the hearing before the Budget, Finance, and Audit Standing Committee of the Detroit City Council shall be provided as set forth in Subsection (a) of this section. After considering further comments at this hearing related to the renewal of the special assessment district the Budget, Finance, and Audit Standing Committee of Detroit City Council may revise the terms of the special assessment district.

The Office of the Chief Financial Officer – Office of the Assessor respectfully request that this honorable body set a date for a hearing before The Budget, Finance, and Audit Standing Committee of Detroit City Council to consider the renewal of a Special Assessment District for the Detroit Golf Club DNIO.

Respectfully submitted.

Alvin Horhn
Deputy CFO/Assessor
