Re: Proposed Resolution Establishing Fee Schedule for the Buildings, Safety  
Engineering and Environmental Department

Honorable City Council:

Pursuant to Sections 6-503 and 9-507 of the 2012 Detroit City Charter, the above referenced proposed Resolution and attached Fee Schedule are being submitted to Your Honorable Body for consideration and approval. The proposed Resolution updates the current Fee Schedule for the Buildings, Safety Engineering, and Environmental Department including, but not limited to, examination, inspection, license, permit and service fees. We request that the new Fee Schedule becomes effective 60 days from approval by City Council with no retroactive adjustments of prior fees charged before the effective date.

We are available to answer any inquiries that Your Honorable Body may have regarding this proposed Resolution. Thank you for your time and review.

Respectfully,

David Bell  
Director

## **RESOLUTION**

**BY COUNCIL MEMBER \_\_\_\_\_ :**

**WHEREAS**, Sections 6-503 and 9-507 of the 2012 Detroit City Charter permits the Director of the Buildings, Safety Engineering, and Environmental Department to institute a Fee Schedule subject to the approval of City Council;

**WHEREAS**, the Buildings, Safety Engineering, and Environmental Department has not instituted a new Fee Schedule since fiscal year 1996;

**WHEREAS**, the Director of Buildings, Safety Engineering, and Environmental Department has developed a Fee Schedule;

**WHEREAS**, there is no retroactive adjustment(s) for fees charged prior to the effective date of the new Fee Schedule, which shall be 60 days from the date of adoption.

**WHEREAS**, the Buildings, Safety Engineering, and Environmental Department proposed Fee Schedule is attached and incorporated into this resolution; and

**WHEREAS**, the City Council has reviewed the proposed Fee Schedule for the attached items; **Now, Therefore be it**

**RESOLVED** that the Detroit City Council approves the Fee Schedule proposed by the Director of the Buildings, Safety Engineering and Environmental Department for the attached items and it shall become effective 60 days from the date of adoption.
