Dear Council Member Tate:

The purpose of this letter is to memorialize our shared intent to utilize, subject to appropriation, all monetary contributions from contractors required by EO-2021-2 to the City's CRIO-administered Workforce Training Fund in connection with the District Detroit projects to develop and preserve affordable housing, including supportive housing, through the Detroit Affordable Housing and Preservation Fund. Of such expenditures, at least 70% will support households making 30% of the Area Median Income (AMI) with the remainder for households making 50% of the AMI.

Sincerely,

Mayor Michael E. Duggan  
City of Detroit
