Specifically, by signing this letter Grantee certifies and agrees to the following:

1. Grantee is a local government unit or political subdivision within the meaning of IRC section 170(c)(1).
2. This grant shall be used only for the Purpose described above, and for no other purposes.

3. The amount of the grant shall be expended on the following specific election infrastructure needs: 1) Key Physical Components: Equipment and materials, facilities, and records, including voting locations, technical facilities, storage facilities, processing facilities, administrative facilities, and voting hardware; 2) Key Technological Components: Hardware and software components critical to supporting the election security mission, including computers, servers, databases, and other IT systems and assets used in election administration activities; and 3) Key Human Components: Personnel with specialized training, certification, knowledge, skills, authorities, or roles whose absence could cause undesirable consequences or hamper the election security mission, including strategic, operational, and temporary/seasonal support positions.
