RE: Donation to support The City of Detroit Planning and Development Department

Dear Ms. Daniels,

On behalf of the Southeastern Michigan Health Association, we will be donating \$750 to support the City of Detroit. Specifically, the donation of \$750 will go to the City of Detroit Planning and Development Department.

The Planning and Development provided crucial support to develop a proposal to the de Beaumont Foundation focused on creating a data ecosystem aimed at improving health outcomes for Detroit residents. SEMHA is grateful for the support and partnership with the City of Detroit and presents this small token of appreciation in the form of a donation.

Sincerely yours,
Danielle Hilliker
