*** RE:**

Request for Authorization to Accept and Appropriate the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant – Disaster Recovery (CDBG-DR)

*** SUMMARY:**

The U.S. Department of Housing and Urban Development (HUD) has allocated and approved the City of Detroit, through its Housing and Revitalization Department (HRD), \$47,591,000 in Community Development Block Grant – Disaster Recovery (CDBG-DR) funding to support long-term recovery efforts following storm events from the 2021 Presidential Major Disaster Declaration (federal disaster declaration FEMA #4607 - Michigan Severe Storms, Flooding and Tornadoes) with no matching requirements. These funds were allocated through the publication of the Federal Register, Vol. 87, No. 100, May 24, 2022. The allocation was made available through the Disaster Relief Supplemental Appropriations Act Public Law 117-43. CDBG-DR funding is designed to address needs that remain after all other federal assistance has been exhausted.

The primary objectives of this plan are to directly serve income eligible households in most impacted neighborhoods impacted by the June 2021 flood event, either directly or indirectly.

Use of additional allocations will be determined through the required HUD Action Planning process and subsequent amendments to the approved Action Plan.

*** RECOMMENDATION:**

We respectfully request that your Honorable Body's authorization to accept the CDBG-DR funding by approving the attached resolution for the stated purpose.
