EMAGINE HEALTH SERVICES

Cleaning After Plan for Emagine Health Service's Back to School Fair

Objective: The objective of the cleaning after plan is to ensure a clean and safe environment after Emagine Health Service's Back to School Fair. This plan outlines the steps and responsibilities for post-event cleaning.

Equipment and Supplies:

Gather cleaning equipment and supplies, including brooms, mops, disinfectant cleaners, trash bags, gloves, and any other necessary items. Ensure an adequate supply of cleaning materials is available before the event ends.

Trash Removal:

Assign a team to systematically collect and dispose of trash throughout the fair area. Empty and replace garbage bags in trash bins as needed. Separate recyclable items and dispose of them accordingly.

Facility Cleaning:

Assign teams to clean different areas of the venue, such as classrooms, hallways, restrooms, and common areas. Sweep and mop floors, paying attention to high traffic areas. Clean and disinfect surfaces, including tables, chairs, countertops, and doorknobs. Ensure restrooms are thoroughly cleaned, stocked with supplies, and sanitized. Clean windows, mirrors, and any other glass surfaces.

Outdoor Area Cleaning:

Remove any discarded papers, food wrappers, or other trash from outdoor spaces. Sweep walkways and remove debris. Clean and disinfect any outdoor furniture or play equipment that was used during the fair.

Inspection:

Conduct a comprehensive inspection of all areas to ensure cleanliness and address any remaining issues. Check for any damages or repairs needed and report them to the responsible department.

Waste Management:

Ensure proper disposal of cleaning materials and waste according to local regulations and guidelines. Coordinate with waste management services, if necessary, for larger quantities of waste.

Team Communication:

Maintain effective communication among the cleaning team members to ensure a coordinated effort and address any cleaning challenges efficiently. Provide clear instructions and guidelines for cleaning tasks.

Safety Measures:

Ensure the cleaning team follows safety protocols, such as wearing gloves and appropriate personal protective equipment (PPE). Use caution signs if necessary, when cleaning slippery floors or wet areas. Avoid using harsh chemicals or cleaners that may pose a risk to people or the environment.

Timing:

Schedule the cleaning activities to begin immediately after the event ends, to minimize the time between the event and the completion of the cleaning process. Allocate sufficient time for a thorough cleaning to ensure all areas are properly cleaned.

Follow-up:

Conduct a post-cleaning assessment to evaluate the effectiveness of the cleaning process and identify any areas that require further attention. Provide feedback and suggestions for improvement in future events. By following this cleaning after plan, Emagine Health Service's Back to School Fair can maintain a clean and safe environment for all participants and ensure a positive experience for all attendees.

Emagine Health Services Security Plan

Date: August 19th, 2023, Location: 8904 Woodward Ave. Detroit, MI 48202

At Emagine Health Services, the safety and security of our attendees is of utmost importance. We have developed a comprehensive security plan to ensure a secure and enjoyable experience for everyone at our Back to School Fair. The plan includes a combination of preventive measures, trained personnel, and emergency protocols.

Below are the key elements of the security plan:

Venue Assessment: Conduct a thorough assessment of the outdoor venue to identify potential security vulnerabilities and implement appropriate security measures. This assessment will include evaluating access points, crowd flow, emergency exits, and potential risks.

Security Personnel: We plan on working with the Detroit Police Department. These personnel are trained to handle security-related incidents and emergencies. They will be stationed at key areas, including entrances, stages, and high-traffic zones, to manage crowd control and enforce security protocols.

Emergency Response Team: Assemble an emergency response team consisting of trained medical personnel, security staff, and event organizers. This team will be responsible for addressing medical emergencies, evacuations, and other unforeseen incidents. Clear communication channels will be established to facilitate immediate response and coordination.

Surveillance and Monitoring: Install CCTV cameras in strategic locations to monitor activities within the event area. Security personnel will be assigned to monitor the feeds and identify any suspicious behavior or potential threats. Additionally, establish a communication network among staff members to ensure effective communication and quick response in case of emergencies.

Medical Support: Partner with local medical services to have an on-site medical station equipped with basic medical supplies and personnel trained in first aid and emergency response. Publicize the location of the medical station and ensure easy access for attendees in need of medical assistance.

Security Awareness: Prior to the event, disseminate information to attendees regarding security measures, prohibited items, and evacuation procedures. Use various communication channels,

EMAGINE HEALTH SERVICES

such as social media, event website, and posters, to educate attendees about their role in maintaining a safe environment.

Collaboration with Law Enforcement: Coordinate with local law enforcement agencies to notify them of the event and request additional support, if necessary. Maintain open lines of communication with law enforcement throughout the event to promptly address any security concerns.

Incident Response and Communication: Establish protocols for incident reporting and response. Designate a central command center to coordinate and communicate with security personnel, emergency response teams, and law enforcement agencies. Ensure that attendees have access to a clear and effective communication channel to report any suspicious activities or emergencies.

Continual Assessment and Improvement: Conduct regular evaluations during the event to identify areas for improvement in the security plan. Collect feedback from attendees and security personnel to identify potential weaknesses and implement appropriate enhancements for future events.

By implementing this security plan, Emagine Health Services aims to create a safe and secure environment for all attendees at the Back to School Fair. We are committed to ensuring a positive experience while prioritizing the safety and well-being of each participant.

General Event Information

Has this event been hosted before? No

Has the applicant (individual or organization) ever applied for a Special Event with the City of Detroit before? No

Is this an annual event? Yes

Event Website: N/A

Which of these spaces will be used? Street

Will this event include the use or sale of marijuana? No

Event Description

Brief Event Purpose & Description:

Back to School Health Fair: Emagine Health Services Edition

Join us for the annual Back to School Health Fair, hosted by Emagine Health Services. This exciting event is dedicated to ensuring students start the school year strong with a focus on their health and well-being. We invite students, families, and community members to come and explore a variety of health-related resources and services catered specifically to their needs.

Date: 8/19/2023 Time: 12pm-4pm Location: 8904 Woodward Ave. Detroit, MI 48202

Event Highlights:

Comprehensive Health Screenings: Take advantage of free health screenings, including vision, hearing tests, height and weight measurements, and blood pressure checks. Our team of experienced healthcare professionals will provide assessments and offer guidance on maintaining optimal health.
Estimated Peak Attendance: 500

Nutritional Education and Consultations: Learn about the importance of a balanced diet and how it impacts your child's growth and development. Our experts will provide personalized advice, answer questions, and provide tips on creating healthy meal plans and snacks.
Estimated Total Attendance: 500

Physical Fitness Activities: Engage in fun and interactive physical fitness activities, designed to promote an active lifestyle among students. From group exercises to sports demonstrations, there will be plenty of opportunities for everyone to get moving and have a blast.
Is this a public event? Yes

Mental Health and Wellness Workshops: Attend informative workshops led by mental health professionals, focusing on stress management techniques, mindfulness, and understanding the importance of mental well-being in academic success. Gain valuable insights into recognizing and addressing mental health concerns in your child's life.
Will there be ticket sales or admission charged? No

Community Resources and Partnerships: Explore a variety of community resources and partnerships dedicated to supporting the health and well-being of students throughout the school year. Connect with local organizations, health facilities, and other services available in the community that can provide ongoing support for your child's health needs.
Does this event use Harb Plaza? No

Giveaways and Prizes: Enter exciting raffles and contests for a chance to win health-related prizes, school supplies, and other valuable items that will contribute to your child's upcoming academic year.
Will there be merchandise sold? No

Don't miss out on this incredible opportunity to get a head start on your child's health and wellness for the school year. The Back to School Health Fair presented by Emagine Health Services is open to all students, families, and community members. Together, let's empower our students and ensure they are ready for an enriching and successful academic journey. We look forward to welcoming you to the event!
Will you be taking donations? No

Is this a charity event? Yes

Does this event involve campers, tents and/or RVs? No

Will this event involve a petting zoo or tattoo art (not including temporary tattoos)? No
