RE: REMOVE PRIVLEDGE ON GUN SIGNS OPINION

Following our previous request for a legal opinion on the matter of gun signs regulations, the law department has provided its analysis. This opinion holds considerable importance for our ongoing deliberations, and, in the interest of transparency, we believe its details should be accessible to the public.

Hence, I request LPD prepare a resolution to remove privilege from the gun signs' opinion memo. This memo pertains to the regulation and legal aspects surrounding the display and placement of gun signs within the city.

Please facilitate the necessary steps for this request as soon as possible. If you have any questions, do not hesitate to contact my office at 313-224-1198.
