**RE: REQUEST FOR REPORT ON SERVICES MANDATED BY
STATE LAW AND CITY CHARTER**

In an effort to ensure that the City of Detroit is upholding its legal and charter-based obligations, I am requesting a report that details the services the city is required to provide as per state law and the City of Detroit Charter.

Understanding these requirements is essential for effective governance and the provision of services to our residents. The report should comprehensively cover all such mandated services and include any relevant legal citations or charter provisions.

Please provide the report by 15 December 2023. If you have any questions, do not hesitate to contact my office at 313-224-1198.
