RE: Request for a resolution in support of HB 4325 concerning littering

Please draft a resolution in support of HB 4325 that will strengthen Michigan littering laws and hopefully lead to reduction in illegally dumped waste while providing additional funds for cleanup and enforcement actions to ensure compliance.

For further information, please contact Peter Rhoades, Policy Analyst for Council Member Calloway at peter.rhoades@detroitmi.gov or call the office at 313-224-4535.

Thank you for your cooperation.
