

Greetings Council President & Entire Council, My name is Marilyn Winfrey, a long time West side resident & proponent of the Block Club Association.

I support weekly bulk & yard waste pickup and the \$10.00 regular/\$5.00 senior discount increase of the Waste Management bill this summer. My understanding is that the cap will be \$270.00.

The expected results of weekly pickup in these areas, if done properly will result in a cleaner city and a decrease in litter.

In another note; I ask that the Council cast votes today on the Re-districting issue with open minds and the best interests of the community in mind, rather than being damaging to the structure of the communities in each district.

Thank you.
