**TO:** Denise Starr, Human Resources Director

**FROM:** Paul Bellottie, Classification & Compensation Analyst II

**DATE:** January 25, 2024

**RE:** Traffic Control Officers Salary Adjustment; W.O. #2023-094

---

**Recommendation:**

1. The 2023-2024 Official Compensation Schedule be amended to include the following pay range adjustments:

Class Code	Classification	Current Pay Range	Proposed Pay Range	Barg Unit
339302	Traffic Control Officer	\$31,980 – \$39,256	\$39,900 – \$49,000	3002

**Request:**

The above recommendation is at the request of the Director of Police Personnel Katrina Patillo, with the Police Department.

**Rationale:**

The recommendation is based on the department's expressed need to ensure the pay range for the Traffic Control Officer is commensurate with their job duties, competitive with the market and attractive enough to retain the necessary talent. These employees ensure the safe movement of pedestrians, vehicles, and bicycles as needed during peak traffic times, during special events or at accident scenes. Traffic Control Officers will not engage in traffic enforcement duties but will engage in traffic and crowd control under the guidance of, and in conjunction with certified Police Officers and Supervisors.

To determine an appropriate pay range, a compression analysis and market study were conducted using data from external survey sources for comparable positions. It was determined by use of local and national data sources that an increase to the Traffic Control Officer salary range is recommended. After discussions with the department representatives, this increase would help the noticeable attrition issues and retain necessary employees within the city for some of the upcoming events throughout the year.

The proposed pay range recommendation is subject to City Council approval.

### **All notices and disclosures will be sent to you electronically**

Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
