RE: Questions regarding the Basement Backup Protection Program

Please provide a detailed response to the following questions regarding the Basement Backup Protection Program:

1. Phase 2 of the DWSD Basement Backup Protection Program included the Chadsey Condon neighborhood of District 6. Please explain the rationale for selecting the Chadsey Condon neighborhood instead of the Midwest neighborhood, considering both neighborhoods were heavily impacted.
2. Will there be another round of applications accepted for this program? If so, when?

Please do not hesitate to contact my office if you have any questions. Thank you.
