**RE:** Request for Resolution in Support of House Bill HR40

---

### **SUMMARY:**

My office received a request from the Detroit Reparations Task Force to have a resolution drafted in support of House Bill H.R. 40.

House Bill H.R. 40, titled the Commission to Study and Develop Reparation Proposals for African Americans Act, seeks to establish a commission to study and develop reparation proposals for the institution of constitutionally and statutorily sanctioned slavery.

The Detroit Reparations Task Force believes that supporting this bill is a crucial step towards addressing historical injustices, as well as the legacy of the racism and brutality that is inextricably linked to the Trans-Atlantic and domestic slave trade. Furthermore, the Task Force would like the resolution to explicitly specify an investigation into monetary compensation as a form of reparations.

I am requesting that the Legislative Policy Division draft this resolution on behalf of the Detroit City Council in support of HB H.R.40 and the Detroit Reparations Task Force.
