RE: Authorization to submit a grant application to the U.S. Department of Energy for the Energy Futures Grant

The General Services Department—Office of Sustainability is hereby requesting authorization from Detroit City Council to submit a grant application to the U.S. Department of Energy for the Energy Futures Grant. The amount being sought is \$500,000.00. There is no City match requirement. The total project cost is \$500,000.00.

The Energy Futures Grant will enable the department to:

- Support the Eco-D Equitable Electrification (E3) Project, which will create Electrification Plans to decrease emissions
- Create an outreach and marketing strategy for the Eco-D Equitable Electrification Project to support Workforce Development and Community Benefits efforts
- Co-create a Blueprint for electrification with innovation ecosystem stakeholders

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,
