RE: Resolution Request – Qualifications for Future of Health Advisory Board Members

Please begin the process, in consultation with our office, to draft a resolution establishing criteria for members of the Future of Health Advisory Board:

1. Ensure that membership on the board is split between Mayoral appointees and Council appointees, following established norms for other City of Detroit-led boards
2. Ensure that members are eligible to receive a stipend for each official meeting attended (\$300/meeting)
3. Ensure that members meet residency requirements and represent a broad range of the citizens in the impact area

With best regards,

Mary Waters
