Detroit City Council 1340 Coleman A. Young Municipal Center Detroit, Michigan

Re: Ordinance to amend Chapter 17 of the 2019 Detroit City Code, *Finance*, Article V, *Purchasing and Supplies*, Division 1, Goods and Services, Subdivision A, Generally, by amending Sections 17-5-1, 17-5-12, 17-5-13. And 17-5-57.

Honorable City Council:

Council President Sheffield has requested that the Law Department prepare an ordinance to amend Chapter 17 of the 2019 Detroit City Code, *Finance*, Article V, *Purchasing and Supplies*, by amending Division 1, *Goods and Services*, Subdivision A, *Generally*, by amending Section 17-5-1, Section 17-5-12, Section 17-5-13, *and* Section 17-5-57, to provide for additional definitions for the Division, additional equalization credits and clearances, clarification and amendment to the bidding process, and other technical changes. A copy of the ordinance which has been approved as to form is attached for your review and consideration.

We are available to answer any questions that you may have regarding this proposed ordinance.

Respectfully submitted,

Tonja R Long

Tonja R. Long Chief Administrative Corporation Counsel

SUMMARY

This ordinance amends Chapter 17 of the 2019 Detroit City Code, Finance, Article V, Purchasing and Supplies, by amending Division 1, Goods and Services, Subdivision A, Generally, by amending Section 17-5-1, Definitions, to provide additional definitions for the Division, by amending and renaming Section 17-5-12, Major purchases, solicitation of bids, comparison of equalization credits for bids; limited bidding; documentation to be made available, prohibitions against unapproved assignments or subcontractors; required clearances for purchases; required clearances for construction projects; prohibitions related to construction workforce development and construction workforce investment businesses; exceptions, and amending and renaming Section 17-5-13, Non-major purchases; solicitation of bids, comparison of equalization credits in bids, and application of equalization credits for bids; required clearances; required clearances for construction projects; prohibitions related to construction workforce development and construction projects; prohibitions related to construction workforce development and construction projects; prohibitions related to construction workforce development and construction projects; prohibitions related to construction workforce development and construction projects; prohibitions related to construction workforce development and construction projects; prohibitions related to construction workforce development and construction projects; prohibitions related to construction workforce development and construction projects; prohibitions related to construction workforce development and construction workforce investment businesses; exceptions, and by amending Division C. Detroit Supply Schedule, by amending Section 17-5-57, Request for quotations, to provide for additional definitions for the Division, additional equalization credits and clearances, clarification and amendment to the bidding process, and other technical changes.

:

AN ORDINANCE to amend Chapter 17 of the 2019 Detroit City Code, Finance, Article 2 3 V, Purchasing and Supplies, by amending Division 1, Goods and Services, Subdivision A, 4 Generally, by amending Section 17-5-1, Definitions, to provide additional definitions for the 5 Division, by amending and renaming Section 17-5-12, Major purchases, solicitation of bids. 6 comparison of equalization credits for bids; limited bidding; documentation to be made available. 7 prohibitions against unapproved assignments or subcontractors; required clearances for purchases; required clearances for construction projects; prohibitions related to construction 8 9 workforce development and construction workforce investment businesses; exceptions, and 10 amending and renaming Section 17-5-13, Non-major purchases; solicitation of bids, comparison 11 of equalization credits in bids, and application of equalization credits for bids; required clearances; required clearances for construction projects; prohibitions related to construction 12 13 workforce development and construction workforce investment businesses; exceptions, and by amending Division C. Detroit Supply Schedule, by amending Section 17-5-57, Request for 14 15 quotations, to provide for additional definitions for the Division, additional equalization credits and clearances, clarification and amendment to the bidding process, and other technical changes. 16

17 IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 17 of the 2019 Detroit City Code, Finance, Article V, *Purchasing and Supplies*, be amended by amending Section 17-5-1, Section 17-5-12, Section 17-5-13, and Section
 17-5-57, to read as follows:

1	CHAPTER 17. FINANCE
2	ARTICLE V. PURCHASING AND SUPPLIES
3	DIVISION 1. GOODS AND SERVICES
4	SUBDIVISION A. GENERALLY
5	Sec. 17-5-1. Definitions.
6	For the purpose of this article, the following words and phrases shall have the meanings
7	respectively ascribed to them by this section:
8	Alternative paper means paper with environmental qualities that meet or exceed United
9	States Environmental Protection Agency standards.
10	Biodegradable means capable of being broken down, especially into innocuous products,
11	by the action of living things such as microorganisms.
12	Certification means the designation given to a firm using standard review procedures
13	where determined by the Human Rights Department that the firm applying for such designation
14	meets or exceeds certain specified requirements for that category of business as determined by this
15	article.
16	Certification process means the standard review process used to confer upon a firm the
17	designation of certification as defined in this section.
18	City site means a location within the corporate limits of the City or property owned by the
19	City that is outside the corporate limits of the City.
20	Construction means the construction, erection, reconstruction, alteration, conversion,
21	demolition, repair, moving, or equipping of buildings, structures, roads, sidewalks, or other critical
22	infrastructure.

1	Construction contract means any City contract that provides for the construction, erection,
2	reconstruction, alteration, conversion, demolition, repair, moving, or equipping of buildings or
3	structures, roads, sidewalks, or other critical infrastructure.
4	Construction workforce development business (C-WDB) means a construction contractor,
5	that participates in a Registered Apprenticeship Program, and is registered with the United States
6	Department of Labor Office of Apprenticeship, or by any State Apprenticeship Agency recognized
7	by the Office of Apprenticeship, such registration shall be verified by:
8	(1) Providing a Certificate of Registration of Apprenticeship Program from the Office
9	of Apprenticeship with the United States Department of Labor for a federally
10	certified program; or
11	(2) Providing a Certificate of Apprenticeship from the State Department of Labor and
12	Economic Opportunity for a state certified program.
13	Construction workforce investment business (C-WIB) means a construction contractor, that
14	provides health insurance and retirement benefits to the employees working on the proposed
15	construction contract, such benefits may be verified by submission of:
16	(1) A copy of the relevant sections of a collective bargaining agreement; or
17	(2) A copy of the plan documents for a pension; and
18	(3) A copy of the insurance contracts for health insurance; or
19	(4) Any other documentation deemed appropriate by the Office of Contracting and
20	Procurement.
21	Corporate accountability clearance means an administrative clearance provided through
22	the submission of an affidavit by the business' Chief Executive Officer, or authorized designee, to

the Office of Contracting and Procurement which attests to a construction contractor's compliance
 with the following requirements:

- 3 (1) The contractor and its employees have the required licenses, registrations, and
 4 certificates required to perform the work;
 5 (2) The contractor has not had any licenses, registrations, or certificates required for
- 6 the performance of the contract revoked in the past five years; and
- 7 (3) The contractor has not been debarred or suspended by any federal, state or local
 8 governmental agency or authority in the past three years.

9 *Cooperative purchases* means purchases made through a cooperative purchases resource.

10 *Cooperative purchases resource* means an arrangement through which purchases may be 11 made of goods or services that are available under open contracts issued to local, state, or federal 12 governmental entities acting on a cooperative basis, including, but not limited to, those designated 13 as Michigan Delivering Extended Agreements Locally (MiDEAL), American communities, and 14 other similar arrangements among governmental entities that are identified by the Purchasing 15 Director and posted on the City's website.

16 Detroit-based business (D-BB) means a business that furnishes goods, performs services 17 or both, from a location within the City limits, that pays City of Detroit Income Tax and City of 18 Detroit Property Tax, if applicable, and has paid such taxes for at least one year immediately 19 preceding the date of the application for certification to be a Detroit-Based Business, and which 20 shall comply with the following requirements:

22

21

(1)

Provide verification that the applicant has the physical resources, and the ability to provide service from, the City location subject to the certification;

1	(2)	Provide verification that the business has or can procure an adequate number of
2		employees at the City location subject to certification, to provide the services
3		identified in the application; and
4	(3)	Disclose the number of Detroit Resident Employees located at the City location
5		subject to certification.
6	Detro	it-based micro business concern (D-BMBC) means a business which meets the
7	definitions of	Detroit-based business and micro business concern as defined within this section.
8	Detro	it-based small business (D-BSB) means any business which meets the definitions of
9	Detroit-based	business and small business concern as defined within this section.
10	Detro	it-headquartered business (D-HB) means a business which:
11	(1)	Meets the definition of a Detroit-based business, as defined in this section;
12	(2)	Employs a minimum of four employees at least 30 percent of which are Detroit
13		residents, which shall be verified by the Human Rights Department through the
14		submission of an affidavit signed by the Detroit-headquartered businesses' Chief
15		Executive Officer or authorized designee.
16	(3)	Has ownership or current lease of a location capable of storing the equipment or
17		inventory necessary to perform the work identified in the bid, which shall be
18		verified by property deed and proof of the locations most recent property tax
19		payment; and
20	<u>(4)</u>	Has an office within the City that serves as the administrative center where the
21		Chief Executive Officer and highest level management staff perform at least 51
22		percent of their management functions.

1	Detroit-resident business (D-RB) means any business which employs a minimum of four
2	employees at least 51 percent of which are City residents, which shall be verified by Human Rights
3	Department through the submission of an affidavit signed by the Detroit-resident business' Chief
4	Executive Officer, or authorized designee.
5	Employee Income Clearance means an administrative clearance provided through the
6	submission of an affidavit by the business' Chief Executive Officer, or authorized designee, to the
7	Office of Contracting and Procurement which verifies the submission of all employee information
8	necessary for the collection of City of Detroit income taxes from all employees of the contractor
9	to be employed on the contract, and a commitment to provide supplemental information as
10	necessary.
11	Energy Star® compliant products mean products that meet or exceed the United States
12	Environmental Protection Agency's Energy Star® criteria for energy efficiency.
13	Environmentally-preferable means products or services that have a lesser or reduced effect
14	on human health and the environment when compared with competing products or services that
15	serve the same purpose and such comparison may consider raw materials acquisition, production,
16	manufacturing, packaging, distribution, reuse, operation, maintenance, or disposal of the product
17	or service.
18	Fiscal year means the fiscal year of the City being July 1st through June 30th.
19	High impact construction contract means a construction contract having a value of
20	\$250,000 dollars or more.
21	Industrial oil means any compressor, turbine or bearing oil, hydraulic oil, metal-working
22	oil or refrigeration oil.

Invitation for bids means the complete assembly of related bid documents, including those
 attached or incorporated by reference, which are furnished to prospective bidders for the purpose
 of bidding.

Joint venture means a joint venture of separate firms, one of which is a D-HB, DBB, DBSB,
DRB or DBMBC, which has been created to perform a specific contract, and is evidenced by a
written agreement which provides at a minimum that the D-HB, DBB, DBSB, DRB, or DBMBC:

- 7 (1) Is substantially included in all phases of the contract, including, but not limited to,
 8 bidding and staffing;
- 9 (2) Provides at least 51 percent of the total performance, responsibility, and project
 10 management of a specific job;
- 11 (3) Receives at least 51 percent of the total remuneration from a specific contract; and
- 12 (4) Shares in profits and losses.

Life-cycle analysis means the comprehensive examination of a product's environmental and economic aspects and potential impacts throughout its lifetime, including raw material extraction, transportation, manufacturing, use, and disposal.

Lowest responsible bidder means the bidder who, or which, submits the lowest bid, conforming to specifications, as evaluated under Section 17-5-12(b) of this Code, and who or which, meets the following standards as they relate to the particular contract under consideration. The prospective contractor must demonstrate:

20 (1) Adequate financial resources for the performance of the contract, or the ability to
21 obtain such resources as required during performance;

- 1 (2) The necessary experience, organizational structure and resources, technical 2 qualifications skills and facilities, or the ability to obtain them, including the ability 3 to retain subcontractors as required;
- 4 (3) The ability to comply with the proposed or required time of delivery or performance
 5 schedule;
- 6 (4) A satisfactory record of integrity, judgment and performance. Contractors who, or 7 which, are delinquent in current contract performance, considering the number of 8 contracts and the extent of delinquencies of each, shall be presumed to be unable to 9 fulfill this requirement in the absence of evidence to the contrary or compelling 10 circumstances;
- 11 (5) The ability to conform to the requirements of the fair employment practices 12 ordinances;
- 13 (6) Qualification and eligibility to receive an award under applicable laws ordinances
 14 and regulations; and
- 15 (7) The ability to produce, upon request acceptable evidence of ability to obtain
 16 financial resources and the experience, organizational structure and resources,
 17 technical qualifications, skills and facilities needed for the proper performance of
 18 the contract sought.

Lubricating oil means any oil intended for use in an internal combustion crankcase,
 transmission, gearbox or differential, or in an automobile, bus, truck, vessel, plane, train, heavy
 equipment or machinery powered by an internal combustion engine.

22 *Major* means not less than the specified dollar valuation of a contract in relation to the 23 corresponding contract classification as follows:

1 Major Contracts

Type of Co	ontract	Dollar Valuation
Purchase co	ontracts:	<u>.</u>
Equipment	and supplies	\$270,000.00
Public wor	ks contracts:	
Demolition	1	\$678,000.00
Street pavin	ng	\$1,350,000.00
Constructio	on	\$2,700,000.00
Nonprofess	sional services:	
Including b	out not limited to, tree removal, catering, janitorial, maintenance	\$678,000.00
Disposition	of equipment and supplies unsuitable for public use	\$25,000.00
Ment	or venture means a joint venture of separate firms, one of which	is a D-BB, D-BSB
D-RB or D-I	BMBC, which has been created to perform a specific contract, ar	nd is evidenced by a
written agree	ement which provides at a minimum that the D-BB, D-BSB, D-R	B or D-BMBC:
(1)	Is substantially included in all phases of the contract, includin	g, but not limited to
	bidding and staffing;	
(2)	Provides at least 30 percent of the total performance, respor	nsibility and projec
	management of a specific job;	

2

(3) Receives at least 30 percent of the total remuneration from a specific contract; and
(4) Shares in profits and losses.

Micro business concern (MBC) means a business which has average annual gross receipts of \$1,000,000.00 or less and no more than 15 employees. A business which is an affiliate or subsidiary of an entity that is not eligible for registration as a micro business concern shall not be registered as a micro business concern.

Post-consumer waste means a finished material that would normally be disposed of as solid
 waste, having completed its life cycle as a consumer item, but does not mean manufacturing waste.
 Price-premium payback period means the number of years that it takes for the savings in
 operating costs to offset any additional up-front price of the product versus a lower price, less
 energy efficient model, which is calculated by dividing the price premium by the annual savings
 in operating costs.

Readily biodegradable means the measurement guidelines according to the Organization
for Economic Cooperation and Development.

15 Reblended latex paint means paint, which is also known as consolidated latex paint, that 16 contains 100 percent post-consumer content from good-quality surplus with no virgin materials 17 such as resins and colorants added.

18 Recycled latex paint, or reprocessed latex paint, means latex paint with a post-consumer 19 recycled content level that a minimum meets the requirements specified by the United States 20 Environmental Protection Agency's Recovered Materials Advisory Notice for reprocessed latex 21 paint.

Recycled materials means materials that would otherwise be a useless, unwanted, or
 discarded material, except for the fact that the materials retain useful physical or chemical
 properties after serving a specific purpose and, therefore, can be reused or recycled.

Recycled oil means used oil that has been prepared for reuse as a petroleum product by
refining, reclaiming, reprocessing or other means, provided, that the preparation or use is
operationally safe, environmentally sound, and complies with federal, state, and local laws and
regulations.

8 *Recycled content paper* means a paper product with no less than:

9 (1) Fifty percent of its fiber weight consisting of secondary waste materials; or

10 (2) Thirty percent of its fiber weight consisting of post-consumer waste.

11 <u>Retirement benefits means a monthly payment to employees to allow them to subsist</u>

12 without working which includes a pension, Individual Retirement Account (IRA), a 401k plan, or

13 an Employee Stock Ownership Plan (ESOP).

Retreaded tires means tires that use an existing casing for the purpose of vulcanizing new tread to such casing and that meet all performance and quality standards in the Federal Motor Vehicle Safety Standards determined by the United States Department of Transportation.

Secondary waste materials means fragments of products or finished products of a manufacturing process that has converted a virgin resource into a commodity of real economic value, including post-consumer waste, but does not mean excess virgin resources of the manufacturing process, including fibrous waste generated during the manufacturing process such as fibers recovered from waste water or trimmings of paper-machine rolls, mill broke, wood slabs, chips, sawdust, or other wood residue from a manufacturing process.

23 Small business concern (SBC) means a business which:

1	(1)	Has been in existence and operating for at least one year prior	to the date of
2		application for certification as a small business concern;	
3	(2)	Does not meet the definition of a micro business concern as defined	in this division;
4		and	
5	(3)	s one of the following:	
6		a. A manufacturing business which, for the three fiscal years pr	eceding the date
7		of application for certification, has provided full-time emp	ployment to not
8		more than 500 persons; or	
9		b. A general construction business which, for the three fiscal	years preceding
10		the date of application for certification, has average annual	gross receipts of
11		not more than \$28,000,000.00; or	
12		c. A specialty construction business whose average annual gro	oss receipts have
13		not exceeded \$12,000,000.00 in the three fiscal years prece	ding the date of
14		application for certification; or	
15		d. A wholesale business which, for the three fiscal year prece	ding the date of
16		application for certification, has provided full-time employn	nent to not more
17		than 100 persons; or	
18		e. A retail business which, for the three fiscal years preced	ing the date of
19		application for certification, has average annual gross receiption	pts of not more
20		than \$6,000,000.00; or	
21		f. A service business, other than professional, which for the the	nree fiscal years
22		preceding the date of application for certification, has avera	ge annual gross
23		receipts of not more than \$6,000,000.00; or	

1	g. A professional services business, which for the three fiscal years preceding
2	the date of application for certification, has had average annual gross receipts
3	of not more than \$6,000,000.00.
4	A business which is an affiliate or subsidiary of an entity that is not eligible for certification as a
5	small business concern shall not be certified as a small business concern.
6	Used oil means a petroleum-based or synthetic oil, which through use, storage or handling
7	has become unsuitable for its original purpose due to the presence of physical or chemical
8	impurities or loss of original properties.
9	Virgin oil means oil that has been refined and formulated from crude oil, synthetic oil, or
10	any blend of synthetic oil, and that has not been used or contaminated with physical or chemical
11	impurities.
12	Volatile organic compounds means organic compounds characterized by a tendency to
13	readily evaporate into the air, contributing to both indoor and outdoor air pollution and the creation
13	readily evaporate into the air, contributing to both indoor and outdoor air pollution and the creation
13 14	readily evaporate into the air, contributing to both indoor and outdoor air pollution and the creation of photochemical smog.
13 14 15	readily evaporate into the air, contributing to both indoor and outdoor air pollution and the creation of photochemical smog. <u>Workforce safety clearance means an administrative clearance provided through the</u>
13 14 15 16	readily evaporate into the air, contributing to both indoor and outdoor air pollution and the creation of photochemical smog. <u>Workforce safety clearance means an administrative clearance provided through the</u> <u>submission of an affidavit by the business' Chief Executive Officer, or authorized designee, to the</u>
13 14 15 16 17	readily evaporate into the air, contributing to both indoor and outdoor air pollution and the creation of photochemical smog. <u>Workforce safety clearance means an administrative clearance provided through the</u> <u>submission of an affidavit by the business' Chief Executive Officer, or authorized designee, to the</u> <u>Office of Contracting and Procurement, which verifies a construction contractor's compliance with</u>
13 14 15 16 17 18	readily evaporate into the air, contributing to both indoor and outdoor air pollution and the creation of photochemical smog. <u>Workforce safety clearance means an administrative clearance provided through the</u> <u>submission of an affidavit by the business' Chief Executive Officer, or authorized designee, to the</u> <u>Office of Contracting and Procurement, which verifies a construction contractor's compliance with</u> <u>the following requirements:</u>
13 14 15 16 17 18 19	readily evaporate into the air, contributing to both indoor and outdoor air pollution and the creation of photochemical smog. <u>Workforce safety clearance means an administrative clearance provided through the</u> <u>submission of an affidavit by the business' Chief Executive Officer, or authorized designee, to the</u> <u>Office of Contracting and Procurement, which verifies a construction contractor's compliance with</u> <u>the following requirements:</u> (1) All employees handling or interacting with hazardous materials have been

1	(2) All employees providing craft labor have at a minimum completed the OSHA 10-
2	hour construction training course for safety established by the U.S. Department of
3	Labor, Occupational Safety and Health Administration.
4	SUBDIVISION B. PURCHASING OF CITY GOODS AND SERVICES
5	Sec. 17-5-12. Major purchases; solicitation of bids, comparison of equalization credits in
6	bids, and application of equalization credits for bids , for major purchases ; <u>limited bidding;</u>
7	documentation to be made available; prohibitions against unapproved assignments or
8	subcontractors; required clearances for purchases; required clearances for construction
9	projects; prohibitions related to construction workforce development and construction
10	workforce investment businesses; exceptions.
11	(a) Solicitation of bids. Where the purchase entails a major expenditure as defined in
12	Section 17-5-1 of this Code, the Purchasing Director shall provide for the procurement of
13	competitive bids as follows:
14	(1) Prepare the invitation for bids, describing the City's requirements clearly,
15	accurately and completely, avoiding unnecessarily restrictive specifications which
16	might unduly limit the number of bidders. The invitation shall include:
17	a. A notification to all bidders that the City has a preference for
18	environmentally-preferred goods and services and will purchase them
19	where they are price competitive, available, and substantiated according to
20	accepted federal and commercial standards; and
21	b. A notification to all bidders that prices bid will be compared to prices
22	available to the City from applicable cooperative purchases resources.

1 (2) Publicize the invitation for bids by advertising for bids one or more times both in the newspaper designated to print the official business of the City and in a 2 centralized location on the City's official website. Where appropriate, the 3 Purchasing Director shall include advertisements in newspapers, trade journals, 4 5 association postings, websites, and any other appropriate media sources. In 6 addition, the Purchasing Director may send copies of such advertisement to persons 7 and firms likely to be interested therein. Such advertisement shall accurately and 8 clearly describe or refer to the subject matter of the proposed purchase and may 9 also refer the bidder to specifications on file in the Office of Contracting and 10 Procurement. Such advertisement shall specify the time and place of submitting 11 bids and such other information from the specifications as the Purchasing Director 12 shall deem advisable in the interest of the City. After publication of one 13 advertisement, specifications shall not be changed without the publication of a new 14 advertisement calling attention to such change. A reasonable time shall be allowed 15 to enable prospective bidders to prepare and submit bids before the time set for public opening of bids. 16 In addition to the methods of publicizing bids set forth in Subsection (a)(2) of this 17 (3) 18 section, the Purchasing Director may also provide notification of bids specifying 19 the time and place of submission of bids, and other such information the Purchasing 20 Director determines is in the best interest of the City, in the following manner: 21 Posting on the City of Detroit's website and social media page; a.

- 22 b. Sending digital notification via the City's email distribution system;
- 23 $(\underline{4})$ Receive written bids submitted by prospective contractors.

- 1 (b) Comparison of equalization credits.
- 2 (1) Detroit-based business and Detroit-resident business. As the first step in 3 comparing bids, the bid of any Detroit-based business or small Detroit-resident business shall be deemed a better bid than the bid of any competing firm which is 4 not a Detroit-based business or Detroit-resident business whenever the bid of such 5 6 competing firm shall be equal to or higher than the bid of the Detroit-based business 7 or Detroit-resident business, after the appropriate equalization percentage credit 8 from the following equalization allowance table identified in Subsection (b)(4) of 9 this section has been applied to the bid of the Detroit-based firm;

Equalization Allowance Table	
Contract Amount	Equalization Percentage
Up to \$10,000.00	5%
\$10,000.01 to \$100,000.00	4%
\$100,000.01 to \$500,000.00	3%
\$500,000.01 and over	2%

11If the bidder qualifies as both a Detroit based business and a Detroit resident12business, the equalization factor in the preceding following table shall be doubled.13If the bidder has qualified as a Detroit based business by virtue of being a Detroit-

headquartered business, as defined in Section 17-5-1 of this Code, it shall receive
 the equalization factor in the preceding following table plus an additional percent,
 provided, that an affiliate, a subsidiary, a limited-liability corporation, or other
 business structure shall not receive the additional three percent where the Human
 Rights Department determine that another related office outside the City has a
 larger presence than the Detroit office.

- 7 (2) Joint ventures, mentor ventures, and Detroit-based small and micro businesses. In comparing bids, the bid of any joint venture, mentor venture, Detroit-based small 8 9 business, or Detroit-based micro business shall be deemed a better bid than the bid 10 of any competing firm, which is not a joint venture, mentor venture, Detroit-based 11 small business, or Detroit-based micro business whenever the bid of such 12 competing firm shall be equal to or higher than the bid of the joint venture, mentor 13 venture, Detroit-based small business or Detroit-based micro business, after the 14 appropriate equalization percentage credit from the following equalization allowance table identified in Subsection (b)(4) of this section has been applied to 15 16 the bid of the Detroit-based firm:
- Construction workforce development businesses and construction workforce
 investment businesses. In comparing bids, the bid of any construction workforce
 development business or construction workforce investment business shall be
 deemed a better bid than the bid of any competing firm which is not a construction
 workforce development business or construction workforce investment business,
 whenever the bid of such competing firm shall be equal to or higher than the bid of
 the construction workforce development business or construction workforce

1	investment business, after the appropriate equalization percent credits from the
2	equalization allowance table set forth in Subsection (b)(4) of this section has been
3	applied to the bid of the Construction workforce development or Construction
4	workforce investment business, provided that, when the bid of the construction
5	workforce development business and the construction workforce investment
6	business are equal following application of the appropriate equalization percentage
7	credits, the bid of any Construction workforce development business shall be
8	deemed a better bid.

9 (4) Equalization Allowance Table.

Detroit headquartered business	<u>5%</u>
Detroit-based business	<u>2%</u>
Detroit-resident business	<u>5%</u>
Construction workforce development	<u>6%</u>
Construction workforce investment	<u>6%</u>
Detroit-based small business	1%
Detroit-based micro business concern	2%
Joint venture	2%

Mentor venture	1%

2 (c) Application of equalization credits.

1

3 (1) For purposes of evaluating or scoring bids, a bidder shall be entitled to receive the 4 equalization percentage credit for each category for which it qualifies under Section 17-5-12 through Section 17-5-14. The bidder that makes the lowest bid, as 5 6 evaluated or scored, shall be deemed the lowest equalized bidder. If the lowest 7 equalized bid is evaluated or scored below the lowest responsible bid submitted, 8 the lowest equalized bidder shall be awarded the contract, provided that, the 9 contract awarded to such bidder shall not exceed, more than 12 percent above the lowest responsible bid submitted, or \$200,000.00, whichever is less. 10

- 11 (2) In the application of these equalization percentage credits, a joint venture shall not 12 also be considered a mentor venture and a mentor venture shall not also be 13 considered a joint venture. Unless certified before the deadline for submitting a bid, 14 no bidder or firm shall receive an equalization credit as a Detroit-based business, 15 small business or micro business concern. A joint venture or mentor venture shall 16 not receive an equalization credit unless the Detroit-based business in the venture 17 has been certified as such before the deadline for submitting a bid.
- 18 (3) If a bidder claims an equalization credit as a Detroit-resident business, <u>Detroit-</u>
 <u>headquartered business</u>, <u>Detroit-based business</u>, <u>Construction workforce</u>
 <u>development business</u>, <u>Construction workforce investment business</u>, <u>Detroit small</u>
 <u>business</u>, <u>Detroit micro business concern</u>, joint venture, or mentor venture it shall

submit documentation of its eligibility with its bid. The Office of Contracting and 1 Procurement or the contracting department Human Rights Department shall 2 determine whether the bidder qualifies qualifies as a Detroit-resident business, 3 4 Detroit-headquartered business, Detroit-based business, construction workforce 5 development business, construction workforce investment business, Detroit small business, Detroit micro business concern, joint venture, or mentor venture after the 6 7 bid opening and shall certify such businesses annually consistent with a fee 8 schedule approved by City Council via resolution.

- 9 (4) A construction workforce development business or a construction workforce
 10 investment business shall only receive an equalization credit for high-impact
 11 construction contracts.
- After applying any equalization percentage credit that is contained in this section,
 the Purchasing Director shall apply Sections 17-5-14 through 17-5-16 of this Code.
 Where Sections 17-5-14 through 17-5-16 of this Code do not apply, the contract
 shall be awarded to the lowest responsible bidder.

16 (6) All bidders receiving equalization credits under this section, shall be posted on the 17 Human Rights Department's website.

(d) Limited bidding permitted in certain circumstances. On the Purchasing Director's
own initiative or at the request of the contracting department, the Purchasing Director may limit
the bidding for a contract to Detroit-based businesses, Detroit-based small businesses, or Detroitbased micro businesses, provided, that there are at least three firms certified or registered by the
Human Rights Department which would be eligible to bid for the contract. The equalization factors
in Section 17-5-12 of this Code shall not apply to the solicitation of bids under this subsection. In

determining whether to so limit the bidding, the Purchasing Director should make commercially
 reasonable efforts to maximize the utilization of Detroit-based businesses, Detroit-based small
 businesses, or Detroit-based micro businesses. As used in this subsection only, "should" means a
 strong recommendation, but does not mandate the actions described.

- 5 (e) Documentation to be made available. Any bidder who claims to be entitled to an 6 equalization percentage credit shall agree to make the records that were necessary to establish 7 eligibility available to the City.
- 8 (f) Prohibition against unapproved assignments or subcontracts.
- 9 (1) A Detroit-resident business, a Detroit-based business, or a mentor venture or joint 10 venture with a Detroit-resident business or Detroit-based business may not assign 11 or subcontract its City contracts to a non-Detroit-based business or a non-Detroit 12 resident business without the approval of such assignment or subcontract by the 13 Purchasing Director.
- 14 (2) A construction workforce development business or a construction workforce
 15 investment business may not:
- 16a. Assign or subcontract its City contract to a business without the approval of17such assignment from the Purchasing Director;
- 18
 b.
 Assign or subcontract its City contract to a business that does not meet the

 19
 criteria of a Construction workforce development business or Construction

 20
 workforce investment business as defined by Section 17-5-1 of this Code;

 21
 or
- 22 c. Fail to maintain the requisite qualifications of a Construction workforce
 23 development business or Construction workforce investment business

1		through the awarding and completion of the construction project or the
2		certification period, whichever is longer.
3	<u>(g)</u>	Required clearances for major purchases and construction projects.
4	<u>(1)</u>	Major purchases. Any contractor awarded a City contract under this section must
5		submit an employee income clearance in accordance with the requirements of
6		Section 17-5-1 of this Code prior to City Council's consideration.
7	(2)	Construction projects. Any construction contractor awarded a City construction
8		contract under this section must submit a corporate accountability clearance and
9		applicable workforce safety clearance in accordance with the requirements of
10		Section 17-5-1 of this Code prior to consideration of City Council's approval.
11	(<u>h</u>)	Exemptions. The requirements of this section shall not be applicable where any one
12	of the following	ng conditions exists:
13	(1)	Public exigencies require the immediate delivery of the articles or performance of
14		the service;
15	(2)	The Purchasing Director certifies that only one source of supply is available;
16	(3)	The services to be performed are professional in nature; or
17	(4)	The item to be acquired is rare or unique.
18	Sec. 17-5-13.	Non-major purchases; solicitation of bids, comparison of equalization credits
19	in bids, and a	application of equalization credits for bids , for non-major purchases ; <u>required</u>
20	clearances;	required clearances for construction projects; prohibitions related to
21	<u>construction</u>	workforce development and construction workforce investment businesses;
22	exceptions.	

(a) Solicitation of bids. Where the purchase of goods or services entails an expenditure
 which is not major, as defined in Section 17-5-1 of this Code, the Purchasing Director is authorized
 to award the contact subject to the following conditions:

- The practice of competitive bidding is required but formal advertising, which 4 (1) 5 includes advertising in both the newspaper designated to print the official business 6 of the City and in a centralized location on the City's website, is required only for contracts over \$10,000.00. An equalization percentage credit shall be allowed as 7 8 provided for in Section 17-5-12 of this Code whenever there is full and free 9 competitive bidding, provided, that the Purchasing Director may limit bidding to 10 Detroit-based businesses and in that event no equalization percentage credit shall 11 be allowed for Detroit-based small business concerns or Detroit-based micro 12 business concerns.
- In soliciting bids, the Purchasing Director shall affirmatively seek out Detroit-based
 businesses, Detroit-based micro business concerns, Detroit-based small businesses,
 Detroit-headquartered businesses, and Detroit-resident businesses as well as
 Detroit-based resources available through cooperative purchases resources.
- 17 (3) The Purchasing Director must make a determination that the prospective contractor
 18 is responsible. The Purchasing Director should utilize all available information
 19 from within the Office of Contracting and Procurement and other City departments,
 20 from the prospective contractor, and from banks and other financial companies, in
 21 order to ascertain whether the prospective contractor is responsible under the
 22 guidelines set forth under "lowest responsible bidder" as defined in Section 17-5-1
 23 of this Code.

1	(b)	Application of equalization credits. After applying any equalization credit that is
2	contained in t	this section, the Purchasing Director shall apply Sections 17-5-14 through 17-5-16 of
3	this Code. W	here Sections 17-5-14 through 17-5-16 of this Code do not apply, the contract shall
4	be awarded to	o the lowest responsible bidder.
5	<u>(c)</u>	Documentation to be made available. Any bidder who claims to be entitled to an
6	equalization	percentage credit shall agree to make the records that were necessary to establish
7	availability to	o the City. Any bidder or contractor awarded a bid that fails to cooperate with this
8	section shall	be subject to debarment pursuant Sections 17-1-351 through 17-5-366 of this Code.
9	(<u>d</u>)	Prohibition against unapproved assignments or subcontracts.
10	(1)	A Detroit-resident business, a Detroit-based business, or a mentor venture or joint
11		venture with a Detroit-resident business or Detroit-based business may not assign
12		or subcontract its City contracts to a non-Detroit-based business or a non-Detroit
13		resident business without the approval of such assignment or subcontract by the
14		Purchasing Director.
15	(2)	A construction workforce development business or a construction workforce
16		investment business may not:
17		a. Assign or subcontract its City contract to a business without the approval of
18		such assignment from the Purchasing Director;
19		b. Assign or subcontract its City contract to a business that does not meet the
20		criteria of a construction workforce development business or construction
21		workforce investment business as defined by Section 17-5-1 of this Code;
22		or

1	c. Fail to maintain the requisite qualifications of a construction workforce
2	development business or construction workforce investment business
3	through the awarding and completion of the construction project or the
4	certification period, whichever is longer.
5	(e) Required clearances.
6	(1) Non-major purchases. Any contractor awarded a non-major City contract must
7	receive an employee income clearance as provided in Section 17-5-1 of this Code
8	prior to City Council's consideration of the contract.
9	(2) Construction projects. Any construction contractor awarded a non-major City
10	construction contract must receive a corporate accountability clearance and
11	applicable workforce safety clearance as provided in Section 17-5-1 of this Code
12	prior to City Council's consideration of the contract.
13	(f) Exemptions. The requirements of this section shall not be applicable where any
14	one of the following conditions exists:
15	(1) Public exigencies require the immediate delivery of the articles or performance of
16	the service;
17	(2) The Purchasing Director certifies that only one source of supply is available;
18	(3) The services to be performed are professional in nature; or
19	(4) The item to be acquired is rare or unique.

Sec. 17-5-57. Request for quotations.

SUBDIVISION C. DETROIT SUPPLY SCHEDULE

Following approval of Detroit Supply Schedule contracts in accordance with 3 (a) Section 17-5-21 of this Code, the Chief Procurement Officer may issue requests for quotations for 4 5 specific delivery and performance dates for goods and services. 6 (1) The Chief Procurement Officer shall forward requests for quotations to all approved contractors under the specific Detroit Supply Schedule Item Numbers and such 7 8 contractors shall be given a fair opportunity to compete for the task or delivery 9 order. 10 (2) Requests for quotations shall provide a reasonable period of time for response and 11 shall describe significant factors to be considered in evaluating all responses. 12 (3) The equalization factors found at Sections 17-5-12 and 17-5-13 of this Code shall 13 be applied in the award of task and delivery orders under this section. The Chief Procurement Officer shall select the lowest responsible bidder or bidders 14 (4) 15 to fulfill the request for quotations and issue a task or delivery order to the selected 16 contractor(s). 17 (5) The Chief Procurement Officer may select more than one eligible contractor to 18 fulfill a request for quotations. 19 (b) Additional City Council approval shall not be required for the selection of Detroit 20 Supply Schedule contractors to provide the goods or services sought by a request for quotations. 21 (c) As provided for in Section 17-5-12(f) of this Code, A Detroit-resident business, a 22 Detroit-based business, or a major venture or joint-venture with a Detroit-resident business or 23 Detroit-based business, a construction workforce development business, or a construction workforce investment business may not assign or subcontract its City contracts to a non-Detroit-24

resident or a non-Detroit-based business without the approval of such assignment or subcontract
 by the Chief Procurement Officer in violation of Section 17-5-12(f) of this Code.

- 3 (d) No task or delivery order may be awarded to a Detroit Supply Schedule contractor
 4 after the expiration of a Detroit Supply Schedule contract unless City Council has approved a
 5 renewal or extension of the original Detroit Supply Schedule contract.
- 6 (e) The Chief Procurement Officer shall provide City Council with notice of all task
 7 and delivery orders and the dollar value of such orders on a quarterly basis.
- 8 Section 2. This ordinance is hereby declared necessary to preserve the public peace, health,
 9 safety, and welfare of the people of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are
repealed.

Section 4. Where this ordinance is passed by a two-thirds majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter. Where this ordinance is passed by less than two-thirds majority of City Council Members serving, it shall become effective 30 days after publication in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

Approved as to form:

Corporation Counsel
