The Honorable Detroit City Council
ATTN: City Clerk Office
200 Coleman A. Young Municipal Center
Detroit MI 48226

RE: Request to authorize the execution of the Michigan Department of Transportation Master Agreement and authorize the Interim Executive Director of Transit to execute Michigan Department of Transportation project authorizations.

The Michigan Department of Transportation (MDOT) has awarded the City of Detroit Department of Transportation (DDOT) with the MDOT Master Agreement. The Master Agreement authorizes DDOT to enter into individual project authorizations for State and/or Federal funds, in order to provide passenger transportation related services. MDOT requires that DDOT secure Detroit City Council authorization in order to execute the Master Agreement.

In addition, MDOT requires DDOT to submit a resolution to authorize the execution of individual project authorizations for State and/or Federal funds between DDOT and MDOT. Project authorizations award funds to DDOT for passenger transportation related services. These services may include, but are not limited to, the purchase of buses and related equipment, the rehabilitation of bus facilities, supporting operation of ADA-complementary para-transit services, support for multi-modal forms of transportation, and other related services.

I respectfully ask your approval to execute the MDOT Master Agreement and future project authorizations in accordance with the attached resolution.

Sincerely,
