RE: Sidewalk Conditions around the 3<sup>rd</sup> Precinct

---

Please describe the status and condition of the sidewalk located near the 3<sup>rd</sup> Precinct (bounded by West Grand Blvd to the south, John C. Lodge Fwy to the west, Lothrop St to the north, and 3<sup>rd</sup> Ave to the east). Residents with different mobility challenges have complained about the poor conditions of this sidewalk. What is the DPW's plan and timeline to complete the necessary repairs?
