RE: Authorization to submit a grant application to the U.S. Environmental Protection Agency for the Climate Pollution Reduction Grants Program – Implementation Grant

The General Services Department—Office of Sustainability is hereby requesting authorization from Detroit City Council to submit a grant application to the U.S. Environmental Protection Agency for the Climate Pollution Reduction Grants Program – Implementation Grant. The amount being sought is \$99,999,621.00. There is no City match requirement. The total project cost is \$99,999,621.00.

The Climate Pollution Reduction Grants Program – Implementation Grant will enable the department to:

- Reduce greenhouse gas emissions at municipal and public school buildings
- Create a healthier and more sustainable environment for residents, workers, and students across Detroit in partnership with Detroit Public Schools
- Make the following building improvements: (1) retrofit buildings to improve energy efficiency; (2) install energy-efficient windows to reduce heat loss; (3) upgrade HVAC systems for optimized energy use; (4) decrease overall carbon footprint through sustainable building practices

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,
