RE: Request for a Report on Mobility Management Policy

Mr. Whitaker:

Mobility management policy involves capital projects consisting of short-range planning and management activities and projects for improving coordination among public transportation and other transportation service providers. It includes aims to improve specialized transportation for traditionally underserved populations.

The principle goal of mobility management is to design local and regional solutions customized to fit the community's needs, encouraging the use of innovation and technology.

Please provide a report that examines the city of Detroit's mobility management policy. Please include how innovation and technology will be used.

Thank you.
