Re: City of Detroit Redevelopment Project Area - Public On-Premises Liquor Licenses Recertification of Investment Information in Real and Personal Property

Honorable City Council:

On September 11, 2018 , your Honorable Body adopted a resolution that designated a Redevelopment Project Area in the City of Detroit ("City") under Michigan law to allow for the Michigan Liquor Control Commission ("Commission") to issue public on-premises liquor licenses ("Redevelopment Area Licenses") to businesses that are determined by the Commission to be engaged in dining, entertainment or recreation related activities (each an "Eligible Business ") pursuant to MCL 436.1521a (1) (a).

As part of an application to the Commission for a Redevelopment Area License, Eligible Businesses must include an affidavit from the City's Assessor, as certified by the City Clerk, stating the total amount of investment in real and personal property within the City's Redevelopment Project Area during the preceding 3 years ("Affidavit"). At this time, the City's Affidavit needs to be updated and recertified to reflect current available data.

We, therefore, hereby request that your Honorable Body adopt the attached resolution that accepts and certifies an updated Affidavit reflecting the most current real and personal property investment data so that Eligible Businesses may continue to apply to the Commission for a Redevelopment Area License.

Respectfully Submitted,

Antoine Bryant
