Louise Jones, Committee Clerk

DATE: January 24, 2022

RE: Resolution Extending the Moratorium on Water Shutoffs

As the city of Detroit continues to address water affordability issues and battle the COVID pandemic, the moratorium on water shutoffs should be extended.

I am requesting Mr. Whittaker to prepare a resolution for discussion during the Neighborhood and Community Services Standing Committee, held on January 27, 2022 extending the moratorium on water shutoffs for Detroiters through the year 2023.

Thank you.
