**Subject: Funding Decision for Detroit Police Department**

Dear Patti,

We are pleased to inform you that we have recommended to the Goldman Sachs Philanthropy Fund (GSPF), a donor-advised fund where we maintain an account, that it make the first disbursement toward a total of up to \$750,000 to Detroit Police Department for Funding to pilot and implement a workforce development tool that creates Skills & Wellness Opportunities to reduce Risks and meet Needs at DPD, aka SWORN..

GSPF performs its own review of our recommendation and retains decision making authority to act in accordance with its policies and charitable purpose. That review is now complete and GSPF has informed us it intends to proceed with funding based on our recommendation. The GSPF team will reach out to you directly as needed to confirm payment execution details and will disburse payment in accordance with its policies and guidelines. Please allow for 7-10 business days for processing.

This communication serves as your formal notification. Neither this communication nor our recommendations represent or constitute a legally enforceable pledge or obligation. Neither we nor GSPF enter into any agreements with you regarding this recommendation or the resulting funding.
