MEMORANDUM

FROM: Rico Razo, Chief Home Repair and Neighborhood Services

RE: Contract #6006326 (19002 Stout Street – sidewalk)

This notice confirms that Bridging Neighborhoods will be replacing a section of sidewalk directly in front of 19002 Stout Street. The project scope includes replacing approximately 7-8 sidewalk slabs (picture attached).

We understand the importance of safe and accessible sidewalks for our residents. Bridging Neighborhoods is committed to maintaining the properties we manage. In addition to this targeted repair, we have contacted the Department of Public Works to inquire about the possibility of addressing the entire sidewalk stretch towards 7 Mile Road.

Furthermore, to minimize disruption, we will strategically coordinate this sidewalk replacement with the water service line replacement at the property. Please let me know if you have any additional questions or concerns.
