

DEPARTMENTAL SUBMISSION

DEPARTMENT: Planning & Development

FILE NUMBER: Planning & Development-0595

*** RE:**

Submitting reso. autho. Consent To Grade Temporary Construction Easement – (Part of) 6228 McClellan

*** SUMMARY:**

The City of Detroit, Planning and Development Department (“P&DD”) has received an offer from the Michigan Department of Transportation (“MDOT”) to acquire a Consent to Grade Temporary Construction Easement (“Temporary Construction Easement”) over a portion of certain City-owned real property at 6228 McClellan (the “Property”) for the amount of One Thousand Two Hundred Thirty and 00/100 Dollars (\$1,230.00). The Property is a triangular section of vacant land measuring approximately 680 Square feet. It is located south of the E. Edsel Ford Fwy and bounded by E. Edsel Ford Fwy., Gratiot and McClellan Ave. It is zoned B4 (General Business District).

MDOT wishes to acquire access to the Property to facilitate the completion of its I-94 Modernization Project. The project involves the reconstruction of an approximately seven-mile stretch along the I-94 (Edsel Ford Fwy) corridor. The purpose of the project is to improve the safety, capacity, connectivity, and condition of the freeway. It will include the widening of the freeway, new bridges, new interchanges, the construction of retaining walls, improvements of service roads and a new drainage system. Along some areas grading and sidewalk reconstruction will be required, to allow new roadways and existing properties to match up smoothly without changes in elevation.

*** RECOMMENDATION:**

In support of the improvements proposed by MDOT along the I-94 corridor, we hereby request that your Honorable Body adopt the attached resolution with a Waiver of Reconsideration and authorize the Director of P&DD, or his or her authorized designee to execute the Consent to Grade Agreement with the Michigan Department of Transportation.
