RE: Disaster Recovery Inquiries

Please see questions below related to CDBG – DR funds / Disaster Recovery.

- Please list all programming that has been funded from CDBG-Dr funds.
- How does the American Water Plan Insurance program operate?
- How many programs / options are available under the American Water Plan Insurance program? What are the differences in qualifications?
- Is it possible for impacted residents to receive reduced FEMA payouts as a tradeoff for FEMA flood insurance?
- It is understood that DWSD has a flood and disaster mitigation plan, but is there an additional comprehensive plan that speaks to disaster recovery?
- Are there fund reserves in place for disaster recovery / mitigation?
- When does the current 10-year FEMA disaster declaration timeline restart?

Please contact Sumaiyah Ahmed at sumaiyah.ahmed@detroitmi.gov for any questions.
