RE: Request for a status report concerning the Merrill Fountain restoration at Palmer Park

**REQUEST FOR A STATUS REPORT CONCERNING
THE MERRILL FOUNTAIN RESTORATION PROJECT AT PALMER PARK**

Please provide a status report concerning the Merrill Fountain located at Palmer Park. In April 2024, the City Council approved \$2.5 Million for the restoration of the fountain and quarterly status reports will be needed to determine whether the Administration will perform the restoration in a timely manner.

Please contact Peter Rhoades, Policy Analyst at peter.rhoades@detroitmi.gov for further information concerning this request.
