RE: Request for Authorization to Accept and Appropriate the Lead Health Safety – 2025 Grant (CHIP Healthy Homes)

Honorable City Council:

Through the Michigan Department of Health and Human Services, the City of Detroit was awarded \$140,000.00 for the lead-based paint hazard control activities by comprehensively identifying and providing recommendations for addressing non-lead housing hazards that affect an occupant's health and safety. The grant will be used in conjunction with the awarded Michigan Medicaid CHIP Lead Hazard Control Community Development Grant for fiscal year 2025 with no matching requirements.

The City of Detroit through its Housing and Revitalization Department (HRD) proposes to accept this grant of which \$80,000.00 is allocated towards addressing health and safety identified hazards and \$60,000.00 is allocated towards emergency relocation expenses for hospitalized children with elevated blood lead levels.

The Housing & Revitalization Department hereby requests this Honorable Body's authorization to accept and appropriate this grant by supporting the attached resolution.

Respectfully submitted,

To whom it may concern:

On behalf of the State of Michigan's Lead Services Section, I would like to inform you that the City of Detroit has been selected to receive additional Health & Safety funding in the total amount of \$140,000 to be used in conjunction with their awarded Michigan Medicaid CHIP Lead Hazard Control Community Development Grant for fiscal year 2025. A separate grant project will be created and funds will be expended by September 30, 2025. Please note that all grant funds will be evaluated based on monthly expenditures and must be used in accordance with the project work plan, scope, budget and other agreed upon terms as stated in the project contract agreement.

We look forward to partnering with you on this critically valuable community project.

Sincerely,
