Hello Mr. Amarteifio,

I am sending this email at the request of my parents. They attended the town hall session you held on Wednesday evening in regard to Savvy Sliders. After hearing the information that you and Ibrahim Bazzi presented, they are in support of the project believing having the property in use is much better than a vacant lot.

Thank you,

Michelle Daniel

CPC Staff spoke with Maureen Dritsan of East English Village over the phone, and she had some concerns regarding the proposed Savvy Sliders restaurant with drive-through. She asked if it is a possibility to only be able enter southbound Cadieux Rd. If vehicles are not able to turn left onto the site heading northbound Cadieux that would alleviate her concern. Other than this issue she is supportive of the rezoning.

To whom it may concern,

I hope this finds you well. I wanted to write with my support of the Cadieux road Savvy's project. This would be a great addition to the neighborhood, as a place for families to dine, we definitely need more businesses to help our community. Please feel free to reach out if you would like to discuss further or have any questions.

Best Regards,

Mike

Good Afternoon,

I was informed to reach out to this email in support of a Savvy Sliders Franchise establishment here on the East Side of Detroit. I've had the chance to stop by the Forest St. location in Cass Corridor. I enjoyed it. I live on the East Side in Morningside, so I wouldn't mind saving gas to make more visits.

Thank you in advance for your time,

CPC staff spoke with the residents of 6210, 6200, 6190, 6176 Harvard Rd who live directly west of the subject site. Residents mentioned that they were aware of the rezoning and were supportive of the proposed restaurant, retail and drive through. They ask that the screening wall and landscaping that are suggested on the site plan be included in order to screen the proposed us from their property.
