RE: Request for a report concerning mileage for members of the Board of Review

Please provide a report concerning the possibility of providing members of the Board of Review payment for mileage. During the Internal Operations Standing Committee meeting on September 25, 2024, a Board of Review member stated that the City of Detroit does not pay for the mileage for the use of private vehicles for Board of Review business. This is unfair to the Board of Review members. Please report on the possible solution to this problem.

Thank you for your cooperation.
