RE:

Submitting reso. autho. Contract No. 3071017

The Office of Contracting and Procurement (OCP) is submitting 26 emergency notifications that were delayed during the fiscal year-end cleanup. To address this and ensure timely submissions in the future, we have now implemented a new process using Smartsheet. This system will allow us to maintain real-time tracking and set alerts for upcoming notifications, reducing the likelihood of delays and ensuring greater accuracy and accountability moving forward.
