RE: Procurement Ordinance Questions – Additional Questions

---

Thank you for providing responses to my first memo with questions regarding the proposed procurement ordinance. Please provide responses to the following questions.

- What percentage of contracts reviewed by the Office of Contracting and Procurement (OCP) are between \$50,000 - \$150,000?
- The procurement threshold has been increased from \$25,000 to the proposed \$50,000, and 100% increase. Since the current \$25,000 threshold was established, has the national inflation rate continued to increase 100% each year?

Please contact my Policy Analyst, Jai Singletary, at [jai.singletary@detroitmi.gov](mailto:jai.singletary@detroitmi.gov) if there are any questions.

Thank you for your attention to this matter, CPO Yu Stahl.
