RE: Commercial Demolitions Using American Rescue Plan Act (ARPA) Funds - Additional Questions

---

Please research the American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Funds Final Rule (SLFRF) and any other U.S Department of Treasury federal regulations to determine if, after 2026, any funds used for commercial demolition can be recouped and deposited into the General Fund or if those funds are required to be sent back to the U.S Department of Treasury.

Please work with the Law Department in your analysis.

If there are any questions, please contact my Policy Analyst, Jai Singletary, at [jai.singletary@detroitmi.gov](mailto:jai.singletary@detroitmi.gov).

Thank you,
