RE: Authorization to submit a grant application to the Michigan Department of Transportation and the Southeast Michigan Council of Governments for the FY 2025 Transportation Alternatives Program Grant

The Department of Public Works (DPW) is hereby requesting authorization from Detroit City Council to submit a grant application to the Michigan Department of Transportation and the Southeast Michigan Council of Governments for the FY 2025 Transportation Alternatives Program Grant for the Dequindre Cut Pathway Access Project. The amount being sought is \$2,834,390.00. The State share is \$2,834,390.00 of the requested amount and there is a required cash match for construction, in the amount of \$708,597.00. DPW will also be providing \$354,299.00 in match for design services and \$531,448.00 for construction engineering and inspection fees. The total required match is \$1,594,344.00 and the total project cost is \$4,428,734.00.

The FY 2025 Transportation Alternatives Program Grant will enable the department to:

- Improve access to the Dequindre Cut Greenway by creating a safer crossing at Madison Street and connecting the Lafayette Park and Elmwood Park communities
- Construct an access ramp to the Dequindre Cut Greenway from Madison Street
- Remove and replace the abandoned Madison Street bridge with a nonmotorized bridge

If the application is approved, a cash match will be provided for design, in the amount of \$354,299.00, from appropriation 04189. In addition, a cash match for construction, in the amount of \$708,597.00, and for construction engineering and inspection services, in the amount of \$531,448.00, will be provided from future FY 2026 Act 51 formula funds.

If the application is approved, DPW will continue to own and operate the constructed facility and be responsible for maintenance in partnership with the Detroit Riverfront Conservancy. DPW will also be responsible for overseeing engineering, acquiring any required permits, administration, potential cost overruns, and all miscellaneous costs. The Director of the DPW is the Authorized Representative for this project.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,

RESOLUTION

Council Member _____

WHEREAS, the Department of Public Works (DPW) has requested authorization from City Council to submit a grant application to the Michigan Department of Transportation and the Southeast Michigan Council of Governments, for the FY 2025 Transportation Alternatives Program Grant, in the amount of \$2,834,390.00, to complete the Dequindre Cut Pathway Access Project; and

WHEREAS, the proposed improvements include constructing an access ramp from the Madison Street Bridge heading north down to the Dequindre Cut to provide the neighborhood much needed access to the Greenway; the proposed improvements require removing and replacing the currently vacated Madison bridge, which runs over the Dequindre Cut, with a pedestrian bridge, maintaining a 14-foot clear width; in addition, the pedestrian crossings at Orleans St. and at St. Aubin St. would be improved to meet ADA standards and updated to have enhanced midblock crosswalk markings creating new transportation alternatives in the city and connectivity between Elmwood Park and Lafayette Park neighborhoods; and

WHEREAS, the Department of Public Works (DPW) has \$354,299.00 available in its ACT 51 Departmental allocation in appropriation 04189, for the required design services match for this project, and will utilize \$708,597.00 for construction and \$531,448.00 for construction engineering and inspection fees, from its future FY 2026 ACT 51 formula allocation, for the required match for this project, and therefore will provide the total \$1,594,344.00 cash match requirement for this grant; and

WHEREAS, the approximate project limits include Dequindre Cut Pathway Access Ramp from Madison Street to Chestnut Street; and

WHEREAS, if awarded, DPW will continue to own and operate the constructed facility and be responsible for the maintenance in partnership with the Detroit Riverfront Conservancy, and DPW will also be responsible for overseeing engineering, acquiring any required permits, administration, potential cost overruns, and all miscellaneous costs; and if awarded, the Director of the DPW is authorized to execute a grant agreement on behalf of the City of Detroit and will serve as the authorized official for this grant project; and

WHEREAS, all contingency costs have been accounted for in accordance with the Transportation Alternatives Program (TAP) Application Requirements and are included in the proposed total construction cost, which is \$3,542,987.00; and

WHEREAS, this request has been approved by the Office of Budget; now

THEREFORE, BE IT RESOLVED, the Department of Public Works is hereby authorized to submit a grant application to the Michigan Department of Transportation and the Southeast Michigan Council of Governments for the FY 2025 Transportation Alternatives Program Grant for the Dequindre Cut Pathway Access Project.
