RE: Request for resolution in support of Bill of Rights for Homeless Act

Please draft a resolution in support of Michigan House Bill 4919, a bill to establish a Bill of Rights for Homeless Act.

Please provide a short analysis of the bill and determine how the enactment of the bill will improve the quality of life for the Detroit Homeless population. Please determine whether the bill will have a negative impact on municipal operations or increase municipal costs of operations.

Thank you for your cooperation.
