Honorable City Council

Subject: **Request to Amend the Official Compensation Schedule**

Recommendation is submitted to amend the 2024-2025 Official Compensation Schedule to include the pay range for the following new appointed classification.

Class Code	Title	Proposed Pay Range	Step Code
01-17-18	OIG Manager of Investigations and Audits	\$118,200 - \$153,700	K

Request:

The above recommendations are at the request of Jennifer Bentley, Deputy Inspector General of the Office of Inspector General (OIG).

Rationale:

The recommendations are based on the department's expressed need to improve efficiencies within the Office of the Inspector General. This position will be responsible for managing OIG staff involved in conducting audits and investigations relating to all aspects of the OIG's investigations and operations to detect and prevent fraud, abuse, waste, and corruption by any public servant, city agency, program or official act, contractor and subcontractor providing goods and services to the city, business entities seeking contracts or certification of eligibility for City contacts and persons seeking certification of eligibility for participation in any City program.

To determine the appropriate salary range for the new classification, a market study was conducted using data from external survey sources.

The pay range recommendation is subject to City Council approval.

Respectfully submitted,
