NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th Floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, COVID symptoms or other contagious condition, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link toward the end of this notice.

THURSDAY, OCTOBER 17, 2024, AT 5:15 PM

The public hearing is to consider the request of Jeremy Rosenberg on behalf of 5975 16th Street LLC to amend Article XVII, Section 50-17-48, District Map No. 46 of the 2019 Detroit City Code, Chapter 50, Zoning, to show an SD1(Special Development District, Small-Scale, Mixed-Use) or SD2 (Special Development District, Mixed-Use) zoning classification where an R2 (Two-Family Residential) zoning classification is shown at 5975 16th Street. The subject properties are generally bounded by McGraw Street to the north, 16th Street to the east, Antoinette Street to the south, and Stanton Street to the west. The proposed rezoning is indicated as the shaded area on the accompanying map.

The proposed map amendment is being requested to permit the current vacant building to be utilized as a mixed-use development including a bodega, coffee shop, community space, and activated outdoor space. The existing R2 zoning classification does not allow for these uses within this zoning district.

R2 – Two-Family Residential

This district is designed to protect and enhance areas developed or likely to be developed with single- or two-family dwelling units. This district promotes a suitable environment for homes and for activities with family life.

SD1– Special Development District, Small-Scale, Mixed-Use

The SD1 Special Development District encourages small-scale, pedestrian- and transit-oriented uses that complement a neighborhood setting. It aims to balance diverse, walkable activities for residents while preserving neighborhood character. Parking requirements are reduced to promote transit and non-motorized transportation, with shared and district-wide parking approaches encouraged. Certain alcohol-serving establishments are permitted without spacing requirements to boost pedestrian activity.

SD2– Special Development District, Mixed-Use

The SD2 Special Development District is designed to encourage a complementary mixture of more intensive pedestrian and transit-oriented uses that may be compatible with a neighborhood center or with a location along major or secondary thoroughfares. Parking requirements are reduced in certain circumstances to promote use of transit and non-motorized transportation; shared parking and a district approach to parking are encouraged to lessen demand for off-street parking spaces. Certain establishments that serve alcohol for consumption on the premises are permitted without a spacing requirement in order to attract increased pedestrian traffic to the area.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via U.S. Mail at the above address or e-mail at cpc@detroitmi.gov. Public comment/testimony may be given at the appropriate times when called for during the meeting.
