**From:** Timothy Palazzolo, Director-Construction & Demolition Department  
**Re:** Req#527201 for 2740 Fullerton

---

Below, please find the requested responses from the Construction & Demolition Department regarding the above-mentioned subject.

1. Please explain or sum up what (Make Safe) entails for 2740 Fullerton for LPD.

*We received the attached emergency order from Dennis Hunter in DFD. CDD was required to work with a qualified demo contractor to safely mitigate hazard while the building was on fire. Below is a link to the fire, but the walls were in imminent danger of collapse.*
