RE: Resolution in Support of Senate Bills 1112 and 1113 of 2024 – Bottle Deposit Expansion

Council Member Angela Whitfield Calloway is requesting that the Legislative Policy Division draft a resolution in support of Senate Bills 1112 and 1113 of 2024, introduced by Senator Sean McCann (D-Kalamazoo) on November 14, 2024.

Senate Bill 1112 would expand the coverage of bottle deposits to all beverage containers 1 gallon or less (with some exceptions), now also including non-carbonated drinks. Additionally, all eligible retailers will be required to accept returns, regardless of purchase location. The bill will also require annual reporting on bottle deposit performance.

Senate Bill 1113 will allocate \$60 million from corporate income tax revenue to the Michigan Beverage Container Handling Fund for implementation and operations of the bottle deposit bill.

If passed, the legislation will be added to the ballot to be voted on by Michigan residents during the Nov. 3, 2026, general election.
