RE: Approval of Property Transfer between the City of Detroit and the Detroit Land Bank Authority

Honorable City Council:

Pursuant to the Land Bank Fast Track Act, 2003 PA 258, MCL 124.751 to 124.774 (Land Bank Act), the Detroit Land Bank Authority ("DLBA") was created as a separate legal entity, in order to assemble or dispose of public property in a coordinated manner, to foster the development of that property, to promote economic growth in the City of Detroit and to combat blight.

The Detroit Land Bank Authority has implemented a range of policies to provide for the disposition of the properties that it acquires, including sales to owner occupants, sales of side lots and auctions of properties.

In 2014, your Honorable Body initially authorized the transfer of 16,399 properties from the City to the DLBA for the purposes stated. The last such transfer was approved by your Honorable Body in November 2024, at which time 146 properties were transferred by the City to the DLBA.

As the City and DLBA continually acquire property through various means, a periodic transfer of properties between the City of Detroit and the DLBA is necessary for both entities to conduct land strategies efficiently and effectively.

At this time, the City has identified 315 properties that we wish to acquire from the DLBA ("DLBA Transfer Properties") for:

(1) DWSD Bioretention – In 2015, the Detroit Water & Sewerage Department installed four bioretention gardens in the Warrendale neighborhood. Stormwater from nearby houses and roadway is redirected to the bioretention gardens to help reduce street flooding by slowing down the amount of flow to the catch basins on these blocks. DWSD continues to maintain these sites but ownership of the parcels were never transferred to DWSD.

(2) City Airport Expansion – The City of Detroit is pursuing the French Road Mini-Take Project (“Project”) to enhance the safe and efficient operation of aircraft at the Coleman A. Young International Airport (“City Airport”) and to bring City Airport’s runways up to current Federation Aviation Administration standards. This includes the acquisition of properties and removal of structures adjacent to City Airport that are in conflict with the Federal Aviation Regulation setbacks. The proposed acquisitions of the Project will enhance City Airport’s protection privileges, reduce environmental impacts, and allow for the improvement, maintenance and operation of City Airport.

The City is pursuing the transfer of Land Bank owned properties to the City so that title can be cleared and so City Council can pass a resolution appointing the properties to the Airport so that same can be accepted by the FAA into the Airport Layout Plan.

We, hereby, respectfully request that your Honorable Body adopt the attached resolution that authorizes the City to acquire the DLBA Transfer Properties, as listed in the attached Exhibit A, from the Detroit Land Bank, a Michigan public body corporate, for no consideration.

We further request that your Honorable Body adopt the attached resolution that authorizes the Planning and Development Department Director, or his/her authorized designee, to transfer the City Transfer Properties, as listed in the attached Exhibit B, to the Detroit Land Bank Authority, a Michigan public body corporate, for no consideration.

Respectfully Submitted,

RESOLUTION

BY COUNCIL MEMBER: _____

NOW, THEREFORE, BE IT RESOLVED, that Detroit City Council hereby approves the transfer of those properties (“DLBA Transfer Properties”), listed in the attached Exhibit A, from the Detroit Land Bank, a Michigan public body corporate to the City of Detroit, a Michigan public body corporate, for no consideration; and be it further

RESOLVED, that in accordance with the foregoing, the P&DD Director, or his/her authorized designee, be and is hereby authorized to convey all of the City’s right, title and interest of the properties, listed in the attached Exhibit B, by one or more multiple quitclaim deeds, as well as execute any such other documents as may be necessary to effectuate transfer of the properties from the City of Detroit to the Detroit Land Bank; and be it further

RESOLVED, that the P&DD Director, or his/her authorized designee, retains the discretion to withhold transferring some property described in the Exhibit B to the Detroit Land Bank; and be it further

RESOLVED, that Detroit City Council hereby approves acquisition of those properties (“DLBA Transfer Properties”), listed in the attached Exhibit A, from the Detroit Land Bank, a Michigan public body corporate for no consideration, provided that prior to any such acquisition, the City conduct an environmental inquiry of the DLBA Transfer Properties and, if required, an environmental assessment, to be reviewed by the Building, Safety Engineering and Environmental Department; and be it further

RESOLVED, that Detroit City Council finds and declares that (1) acquisition of the DLBA Transfer Properties is necessary to promote the health, safety and welfare of the public and (2) that the preservation of the public health safety and welfare outweighs the cost of the environmental inquiry and assessment, and therefore, waives the requirement that the seller bear the cost of the environmental inquiry and assessment for the DLBA Transfer Properties; and be it further

RESOLVED, that in accordance with the foregoing, the P&DD Director, or his/her authorized designee, be and is hereby authorized to accept and record deeds to the City of Detroit for the properties, listed in the attached Exhibit A, as well as execute any such other documents as may be necessary to effectuate transfer of the properties from the Detroit Land Bank to the City of Detroit; and be it further

RESOLVED, that the City may transfer any or all of the City Transfer Properties and/or the DLBA Transfer Properties at any time to the DLBA for no consideration, in order for the DLBA to provide expedited title clearances for such properties at a service fee of \$1,000 per property to the DLBA for such services. Further, the City is hereby authorized to accept of such properties back from the DLBA for no consideration following the DLBA's completion of such title clearances; and be it

RESOLVED, that the P&DD Director, or his/her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deeds (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the properties, provided that the changes do not materially alter the substance or terms of the transfers or sales; and be it finally

RESOLVED, that the quit claim deeds will be considered confirmed when executed by the P&DD Director, or his/her authorized designee, and approved by the Corporation Counsel as to form.
