Emergency Action Plan (EAP) for Easter Fun Fest at Lasky Park and Recreation Center
ensuring the safety and preparedness of all participants, staff, and attendees:

1. Emergency Response Team:

- **Roles & Responsibilities:**
 - **Event Manager (Incident Commander):** Oversees the emergency response and coordinates with all teams, first responders, and authorities.
 - **Security Personnel:** Monitor and manage crowd safety, handle minor incidents, and assist with evacuations if necessary.
 - **Medical Team:** Provide first aid or basic medical assistance and coordinate with emergency medical services (EMS).
 - **Safety Officer:** Monitors weather conditions, structural safety (tents, stages), and general event safety measures.
 - **Volunteer/Staff Coordinators:** Ensure all event staff are briefed on emergency procedures and communication protocols.

2. Communication Protocol:

- **Emergency Channels:**
 - **Radios:** Event staff and security personnel will use two-way radios for instant communication.
 - **Cell Phones:** A phone tree system for backup communication among key staff.
 - **Loudspeakers/PA System:** Used to make emergency announcements to attendees in case of evacuation or other urgent messages.
 - **Emergency Contact Information:** All staff and volunteers should have a list of emergency contacts, including police, fire department, EMS, and event security leads.
- **Code System:** Establish a code system (e.g., “Code Red” for fire, “Code Blue” for medical emergency) to quickly communicate different types of emergencies without alarming the crowd.

3. Evacuation Plan:

- **Evacuation Routes:**
 - Identify clear, safe evacuation routes from all areas of the event grounds (festival site, parking lots, food areas). These routes should be well-marked with signage.
 - Staff and security personnel will guide attendees to the nearest exits in an orderly fashion during evacuation.

- **Emergency Exits:** Ensure multiple emergency exits are accessible and free from obstructions. Include both main and secondary exits for each area.
- **Assembly Points:** Designate safe assembly points outside the event site where people can gather after evacuating. Staff will guide attendees to these points, and event personnel will perform a headcount if possible.
- **Special Assistance:** Ensure that attendees with disabilities or those needing special assistance have support during evacuation. Assign volunteers or staff to assist in these cases.

4. Medical Emergencies:

- **First Aid Stations:** Set up clearly marked first aid stations at key locations around the event. These should be staffed with trained medical personnel or volunteers.
- **On-Site Ambulance:** If possible, have an ambulance or EMS team on-site or on standby nearby for rapid response.
- **Medical Access:** Ensure that clear pathways are maintained for EMS vehicles to access the site quickly.
- **Medical Supplies:** Stock first aid stations with essential supplies (bandages, antiseptic, defibrillator, etc.).
- **Protocol for Serious Injuries:** Contact EMS immediately for any serious injuries or health emergencies. A designated staff member should be responsible for meeting first responders at the site and directing them to the patient.

5. Fire Emergencies:

- **Fire Extinguishers:** Place fire extinguishers at strategic points, particularly near food vendors, stages, and generators. Ensure staff know how to use them.
- **Fire Department:** Coordinate with the local fire department to ensure they are aware of the event and can respond quickly if needed.
- **Fire Safety Inspections:** Perform inspections before and during the event to ensure all areas are compliant with fire safety codes (e.g., no blocked exits, no flammable materials left unsecured).

6. Severe Weather Plan:

- **Weather Monitoring:** Designate a Safety Officer to monitor weather conditions through reliable apps or direct communication with local weather services.
- **Shelter Locations:** Identify sheltered locations (nearby buildings, sturdy tents) where attendees can take cover in the event of severe weather, such as thunderstorms, high winds, or extreme temperatures.

- **Event Cancellation or Delay:** Establish criteria for delaying or canceling the event (e.g., lightning within 10 miles, winds above 40 mph). Communicate delays or cancellations to attendees via social media, PA systems, and event staff.
- **Evacuation for Weather:** In case of severe weather, activate the evacuation plan to move attendees to designated safe areas or assist them in leaving the site.

7. Crowd Control:

- **Crowd Management:** Security personnel will monitor crowd density, especially near stages, food areas, and entrances. They will be trained to identify early signs of overcrowding or unsafe behavior.
- **Barricades:** Use barricades to manage crowd flow, especially near high-traffic areas.
- **Conflict Resolution:** Train staff and security in conflict resolution to de-escalate tense situations and handle disruptive attendees before they pose a safety risk.
- **Lost Child/Person Protocol:** Establish a lost-and-found point where lost children or separated family members can be reunited. Announcements can be made over the PA system if necessary.

8. Bomb Threats or Suspicious Activity:

- **Response Protocol:** In case of a bomb threat or discovery of a suspicious package, staff should immediately notify the Incident Commander and call local law enforcement.
- **Evacuation:** Follow evacuation procedures while directing people away from the suspicious area.
- **No Touching Suspicious Items:** Instruct staff not to touch or approach any suspicious items and wait for law enforcement or bomb squad personnel to assess the situation.

9. Post-Emergency Procedures:

- **Incident Reports:** After any emergency, document the incident in detail, including the actions taken and outcomes. This helps with follow-up and future preparedness.
- **Debriefing:** After the event, hold a debriefing session with key staff and emergency personnel to review the response and discuss improvements for future events.
- **Communication with Attendees:** Send out a post-event communication (email or social media) to inform attendees about any incidents and reassure them of the measures taken to ensure safety.

10. Emergency Contact Information:

- **Police:** DPD

- **EMS/Ambulance:** Hart Medical 248-789-3648
- **Event Security Lead:** Terrance Mathis GSD 313-269-4034
- **Event Manager (Incident Commander):** Phil Talbert 313-529-6600

This Emergency Action Plan ensures preparedness and safety for all Scare Fest attendees, staff, and vendors, while providing clear procedures for handling various emergencies efficiently.
