- On February 28, 2025, the Mayor presented his <u>Proposed Fiscal Year 2025-2026</u> <u>Budget and Fiscal Years 2026-2029 Four-Year Financial Plan</u> to the Detroit City Council. It is Detroit's 12th consecutive balanced budget since exiting bankruptcy in 2014. The proposed budget totals \$1.58 billion for General Fund activities and \$3.02 billion across all City funds for the coming fiscal year beginning July 1, 2025. It builds on the Mayor and the City Council's continued collaboration to set a fiscally sustainable course for Detroit.
- City Council began its budget hearings on March 12 and will vote on a final budget by April 7. The City will transmit the approved Four-Year Financial Plan to the Financial Review Commission by April 30.
- On March 6, 2025, the US Bankruptcy Court approved the City's motion to amend the GRS and PFRS Combined Plan Document to allow for one additional payment to be made to GRS and PFRS Component II plan retirees and beneficiaries using the \$10 million appropriation in the City's FY25 approved budget.
- The US Bankruptcy Court scheduled a hearing for March 19, 2025, for the City's motion and related objection over requested modifications to the PFRS Component I and Component II plans which were the subject of Memorandums of Understanding between the City and DPCOA, DPLSA, DPOA, and DFFA. These Memorandums of Understanding were previously approved by City Council in December 2024.
