To whom it may concern,

The Detroit City Council adopted a resolution on July 25, 2017, that, in part, authorized expenditures from the Bridging Neighborhoods Fund by the Housing and Revitalization Department in adherence to the activities and programs identified.

The Bridging Neighborhoods program, operating within HRD's Home Repair & Neighborhood Services Division, is requesting an amendment to the 2017 resolution that authorized its creation. This action will enable the program to extend its provision of home repair and renovation services.

Sincerely,

Rico Razo
Chief of Home Repair & Neighborhood Services
