

DEPARTMENTAL SUBMISSION

DEPARTMENT: Public Works - City Engineering
FILE NUMBER: Public Works - City Engineering-0504

*** RE:**

Submitting reso. autho Petition No. x2025-045 – The Coleman A. Young Airport request for a vacation, with reserve of a utility easement and the outright vacation for the portion of Conner St., 200 ft. wide, bounded by Charlemagne Ave., 60 ft. wide and Min

*** SUMMARY:**

This petition comes as part of the Coleman A. Young Airport to submit a petition for vacation with utility easement to adjust the right-of-way limits of Conner St. to match the new property boundary. Additionally, this expansion of property boundary limits includes two sites of proposed development. The building sites within these developments request a petition for outright vacation of utilities within the building footprints.

*** RECOMMENDATION:**

Approve
