RE: Request for Public Hearing to Establish an Industrial Development District on behalf of Planning and Development Department in the general area of 20400 Ralston, Detroit, Michigan, in accordance with Public Act 198 of 1974. (Petition # 2024-387)

The Housing and Revitalization Department has reviewed the application of **Planning and Development Department** and find that it satisfies the criteria set forth by P.A. 198 of 1974 and would be consistent with development and economic goals of the Master Plan.

Prior to acting upon a resolution to recommend approval, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the owners of all real property within the proposed industrial development district at which time those owners and other residents or taxpayers of the local governmental unit shall have a right to appear and be heard.

We request that a Public Hearing be scheduled on the issue of establishing an **Industrial Development District**. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted,
