- On April 7, the Detroit City Council approved the City's <u>FY 2025-2026 Budget and Four-Year</u> <u>Financial Plan</u>. Council's changes compared to the Mayor's proposed budget (all funds) totaled \$18.1 million in one-time expenses (\$10m from prior-year surplus and the remainder from appropriation reductions) and \$6 million in recurring expenses (fully offset by appropriation reductions). The City will transmit the approved Four-Year Financial Plan to the Financial Review Commission by April 30.
- City Council recently approved two FY25 supplemental appropriations in the amount of \$46.4m on March 18th and \$12m on April 7th. These supplementals will be supported by the \$71.9m General Fund revenue gains reflected in the February 2025 Revenue Estimating Conference. These supplementals have yet to be appropriated via budget amendment and will be reflected in future monthly financial reports.
 - Judge Thomas J. Tucker, Eastern District of Michigan, has ruled in favor of a City of Detroit motion for authority to modify and enhance certain retirement benefits for beneficiaries of the Police and Fire Retirement System. The City negotiated a Memorandum of Understanding with the police and fire unions that would modify retirements to allow for adjustments including:
 - Average final compensation calculations for pension benefits
 - Full retirement benefits after 25 years of service regardless of age
 - DROP program changes from 75% to 85%
 - Changes to the multiplier on which pensions are based
