RE: Request for a resolution concerning Mental Health Awareness Month

Please direct the Legislative Policy Division staff to prepare a resolution declaring May as Mental Health Awareness Month.

The National Alliance on Mental Illness (NAMI) needs everyone to be part of its movement by sharing your story, spreading awareness, advocating for change, and helping to break the stigma surrounding mental conditions. The proposed resolution declaring May as Mental Health Awareness Month will support this movement.

Thank you for your cooperation. Please contact our office with any questions or concerns through Peter Rhoades at peter.rhoades@detroitmi.gov or by telephone.
